## Pathetic roads conditions, drinking water problem irk Leimaram locals

**IT News**  
**Imphal, Oct. 7:** Pathetic condition of the road leading to Leimaram from where the tourist destination Shadu Chiru Water Fall is located from Tiddim road and the government inability to provide proper drinking water to villagers inhabiting around the area has irked the locals of the area prompting them to initiate extreme form of agitation including band, blockade and boycott of the local MLA. "Highest number of road accident occurred in between the road stretch from Tiddim road to Shadu Chiru Water Fall in Leimaram which only 8 KM in length due to its dilapidated condition", said Ningthoujam Ibomcha, President, Joint Action Development Committee of Leimaram, Waroi Ching, Awang Heinoubok and Makha Heinoubok in a press meet held today at Manipur Press Club. The road stretch has been left unattended by the state government even though the government has been talking about development of tourist center in the state. "Every one of us knows that Shadu Chiru Water Fall is a Tourist Destination and the government except praising and recalling about its beauty through microphone and public meeting nothing has been done to improve the area since the last 67 years", he added. He also said that with the popularity of the Sadhu Chiru Water Fall the traffic

volume is very high along the road stretch as more and more people visited the place frequently. "More than 1000 vehicles ranging from by cycle to tourist vehicles and private, passenger loaded vehicles to heavy weight trucks for commercial purposes passed through this road every day", he added. The road is only 17 ft wide and the volume of the vehicular movement is very high beside the dilapidated road condition has cause extreme problem to the villagers as well as to the vehicles. "Our committee has submitted a memorandum to the Chief Minister of Manipur and to the Works Minister on August 4 this year for improvement of the road. But no positive response has been given till now", he said. Beside this the villagers at Leimaram area and its surrounding have been facing undeservedly drinking water problem as the water supply scheme inaugurated in 2011 is of no use for the as the tap water could not reach to the villages which are located at a higher place. The Circle MLA gave his word to build a separate water tank at Waroi Ching hill lock for the sake villagers' convenience but he commitment has not been converted to action till today, said Ningthoujam Ibomcha. The committee has warned

that if the government and authorities do not concern turn up till last of this month, the villagers has decided to march various agitations including boycott of circle MLA from November first. The villages has decided to ban tourists from entering the spots, will ban all commercial vehicles and will take up many other activities, he added. He further said that if the government still remain deaf to the grievances of the people, the people will be left with no choice but to block all vehicular movement along the road. Besides, there is no reason on why the local MLA should not be boycott. On the hand, a Police Commando post located at the site, now abandon has become a heaven for intoxicated users. Ningthoujam Ibomcha further said that the place has been now a den at which visitors often use a place for drinking and other kind of illegal activities. He appealed the government authority to either close the post or reinstalled either police or VDF personnel.

## Must do checklists for Sangai Festival 2015

**By: Roshnikumar Ningombam**

Sangai festival, annual cultural festival organised by Manipur Tourism Department is making a dent in minds of the people of the state as well as the neighbouring state. The Festivals, which aim at promoting Manipur as a world class tourism destination, were successful and well received by various people of Manipur as well as Tourists who had come to see the festivals. However there has been criticism of promoting non-indigenous aspects rather than home grown artifacts and products. Even the organizers claimed Sangai festivals presented the different facts of Manipur in terms of Arts and Culture, Indigenous Sports, Eco and Adventures Tourism avenue. The festival has earned the reputation of facilitating traders from outside the state to showcase their merchandise. In the light of this murmuring about the cultural extravaganza of the state, the organizer Manipur Tourism Department needs to check some checklists beforehand to ensure that the

festival represent the people of Manipur. The Department of Tourism can look at the checklists for Sangai Festival- 2015

- 1) All the activities related with Sangai Festival should be done transparently in such a manner that it directly benefits the indigenous people of Manipur
- 2) Indigenous holistic approach should be adopted in all aspects
- 3) In order to prevent flowing out of money to outside the state, the Department of Tourism, Government of Manipur should promote solely local entrepreneurs; this would pave the way to development tourism in the state in the long run
- 4) Promotional activities of the Festival should be done to encourage participation of local artisans, firms, people
- 5) It also important to ensure that local products showcased properly and only home-grown products are available at the venue of the exhibition
- 6) All the infrastructures and design should be done local

firms and only local made products should be used

- 7) Communication medium should be in local flavor but unique in taste
- 8) Only locals firms specialized in the concern trades should be allowed to participate in the tenders for stage, decoration, stalls, lights, etc
- 9) Invitation cards, gifts and other required materials should be designed with and made of local products
- 10) With an aim to provide jobs to locals, the organizers should employ only indigenous people in the works related to Sangai Festival.
- 11) Considering the present situation in the state, inter-ethnic interaction and bring them together is very important, so the festival should be a platform to display the mélange of Manipuri culture, tradition, customs and rituals.
- 12) And information on tourist sites in Manipur, how to reach there, where to stay and other details should be available at the venue of Sangai Festival for non-local tourists and guests.
