## 17 Injured in Clashes between Tripura Tribals, Agartala Locals

PTI

**Agartala, Aug. 24:** At least 17 people were injured in clashes between supporters and activists of the Indigenous People's Front of Tripura (IPFT) and local residents in different parts of the capital today, police said.

"A group of people from the procession of IPFT attacked some persons at the heart of the town at Kaman Chowmuahai and ransacked some shops and set some vehicles on fire, apparently without provocation. The incident resulted in clashes and at least 17 people, including women were injured," Utam Bhaumick, the superintendent of police at the police control room said.

Soon after the incident, DGP K Nagraj and SP (West) Abhijit Saptarshi rushed to the spot. A large contingent of police and paramilitary forces brought the situation under control, he said. Bhaumick said in one place the police had to resort to lathi charge to disperse the unruly crowd.

The IPFT, a tribal based party, today took out a procession in the city demanding "Twipra land" - a separate state for the tribals - by carving out of the Tripura Tribal Areas Autonomous District Council (TTAACDC) from the state. The tribal council constitutes two third of the state territory and is home to tribals who form one third of the population. The rest of the state's population are considered migrants.

The ruling CPI(M) condemned the activities of IPFT supporters and alleged it was a "preplanned conspiracy to disrupt the communal harmony of the state". "The IPFT is trying to disrupt

the communal harmony since long. Today's incident was preplanned and aimed at breaking the communal

harmony and peace in the state. We appeal to all to maintain peace and calm," the party said in a statement.

## NIPP condemn Tripura incidents

ITNews

**Imphal, Aug 24:** North East Indigenous People Parliament (NIPP) strongly condemn the attack by CPI-M and Bangladeshi refugee to the indigenous Tripuri people.

## DESAM kicks off yearlong anti-drug campaign with SAIDUM

ITNews

**Imphal, August 24:** Democratic Students' Alliance of Manipur (DESAM) in association with State Alliance for Injecting Drug Use Programme (SAIDUM) have jointly launched yearlong anti-drug campaign on the theme 'our youth- our future' today at Khoiriphaba Sanglen, Nambol under Bishnupur district. Addressing the gathering at the inaugural function of the campaign, Vice President of A Anand, Vice President of DESAM in his key note address that above 30 percent of the youth between 13-18 years of age are using drug;

owing to drug abuse they have turned into a soulless living person with no hope in future. The future of our youths is becoming dim day by day with the increasing drug abuse among the youth in Manipur. On top of it, less opportunity in employment and high level prevalence of corruption in the state made the youths disappoint and compelled them to drug abuse.

While stating that using drug open in the educational institute is an act of disrespecting the school or college, the VP of DESAM has appealed the students' community to refrain from drug

and work hard to become a responsible citizen. The feeling of nationalism should be ignited among the youth and it is their role to restore the lost ground of today's youth. President of Social Awareness Service Organisation (SASO), RK Tiken has also highlighted the prevailing drug menace in Manipur. He also appealed the students not to use drugs and discuss with elders regarding the drug abuse.

Around 1000 students from different schools under Bishnupur district were attended at the anti-drug programme.

## BJP Kishan Morcha distributes paddy saplings

ITNews

**Imphal, Aug 24:** BJP Manipur Pradesh kishan Morcha vice president Ningthoujam Itomba Meetei on wednesday distributed paddy saplings to the farmers of Keirao whose paddy crops were damaged by the recent flood. Around 2000 bundles of paddy saplings were distributed to 30 flood affected farmers in the village. Youth development centre club

keirao bitra secretary Heikham Jadumani said that the recent flood and breakage of thongrangbi canal damaged paddy crops planted in about 20 hectares of land. As such, many farmers of the village are facing shortage of paddy saplings. Despite the local farmers facing shortage of saplings and fertilizers, no gov authority including the incumbent local MLA turned up the village for rescue of the flood affected

farmers, he said. While lauding the BJP kishan morcha VP N Itomba for his initiative, Jadumani said that paddy saplings provided by Itomba would help resolve the problems facing the farmers to some extent. Noting that Itomba had earlier distributed 500 urea bags to the farmers, he said that Itomba is the only man who always extend help to the people in the hour of need.

## Treasuries are among the first offices to be fully computerised in the state

DIPR

**Imphal, Aug. 24:** Treasuries are among the first offices to be fully computerised in the State. Computerization of all Treasuries was initiated during the year 2005-2006 with funding by the 11th Finance Commission. The hardware installations were taken up then along with Computerisation for bill passing through "Treasury Net" software.

Computerization of pension database and payments for all Pensioners of Manipur was taken up during 2007-08, and it has helped in Computerised Pension calculation, life digital photography of pensioners replacing manual and lengthy procedures. Computerisation

of Pension payment was initiated for eradicating the inefficiencies of manual pension payment system thereby reducing delays in pension disbursement and removing fraudulent practices. Manipur is the only State in the North East where pension preparation is done by the Treasuries while in other States, it has been handed over to the bank. There are at present around 48000 pensioners/family pensioners. In recognition of the work of pension preparation by treasuries, the Directorate of Treasuries & Accounts, Manipur has been felicitated as the Award Winner at the 3rd e-North East Award, 2012 held

at Gangtok, Sikkim on 22-23rd of November 2012.

The National Pension System (NPS) was introduced in the State for the Government employees joining the state service on or after 1st January 2005. Till date there are around 23,500 NPS subscribers in the State. The Directorate of Treasuries & Accounts ensures regular credit of contributions to the respective NPS Subscribers' Accounts. The Directorate has taken up various initiatives to sensitize the concerned stakeholders, like DDOs, Subscribers, etc. by way of conducting numerous Trainings & Awareness Programmes.
