

Education is a joint responsibility of the government and private sector- CM

IT News

Imphal Feb 5: Chief Minister O Ibobi inaugurated an indoor stadium, women's hostel and swimming pool of Pravabati College, Mayang Imphal today. Speaking on the occasion as the Chief Guest, the Chief Minister said that the responsibility of providing quality education and developing the students and youth of the state into responsible and well-informed citizens cannot be achieved by the sole efforts of the state government but needs the cooperation and assistance of the private sector. Ibobi also added that education is a sector which the state government has been giving special attention and that the objective of achieving cent percent literacy rate has been the objective of the government given the fact that the literacy rate in the

state has been steadily on the rise, but to achieve it, the involvement and cooperation of the community, society, students and the private sector is a must. Answering to an inquiry as to the payment of regular Grant-in-

Aid by the college authority, the Chief Minister assured that he will look into the matter and explore ways to fulfill the demand. Education Minister M Okendro, speaking on the occasion as Guest of Honour, stated that the objective of the

state government of making self-reliant should be the common goal for all stakeholders and appealed to the students whether they are aided, private or regular staf

UNC's 48hrs Hill District bandh affects Chandel District

IT News

Chandel, Feb. 5: Normal life in Chandel District was paralysed today due to the 48hrs Hill Districts bandh called by the United Naga Council (UNC) from last midnight. The bandh supporters under the aegis of Chandel Naga Peoples' Organization (CNPO) blocked the Imphal-Moreh section of National Highway at Lamkang Khnou Village and District Headquarters Road at Liwachangning village near Laishokching Lamkhai by piling of woods. Since early in the morning, the bandh supporters enforced the bandh and prohibited vehicular movement along the said roads. However, vehicles

carrying patient and religious related vehicles were exempted from the purview of the bandh. At Chandel District head quarters, shops and economic establishments down their shutters. Government offices recorded low attendance and educational institutions were

also closed during the bandh. It further mentioned that the United Naga Council (UNC) has called 48-hour general strike in all the hill districts of Manipur from February 4 midnight to February 6 midnight in continuation of its previous demands and democratic movement.

MNP opposes UNC's remarks on Manipur's history

IT News

Imphal Feb 5: MNP (Meitei Nationalist Party) strongly opposes the new false agenda and propaganda of UNC (United Naga Council) on the history of Manipur. B Angousana Sharma- the Founding President of MNP condemns and rejects the historical fiction invented by UNC to distort, destroy and ridicule the unity and integrity of Manipur which has its thousands years old

civilization. A press communiqué made available today said that UNC, by claiming with the unfounded history like the existence of administration in the hills of Manipur other than the rule of the Manipur Maharajas before 1891 and till 1949, is attempting to surprise the people of Manipur. The divisive and separatist ideology of UNC is an attempt to destroy the essence of the freedom of speech enshrined

in Indian Constitution. It further asserts that UNC has no right to rewrite the history of Manipur, questioning the authority of UNC on changing the thousands years old culture and civilization of Manipur. The release further adds that UNC must know that Manipur comprises both valley and hills and appeals to the people of Manipur to stay united to fight such divisive forces to divide hills and valley in 21st century.

Rudy lays foundation stone for ITI Dimapur

ANI

Dimapur , Feb.5: Union Minister of State for Skill Development and Entrepreneurship and Parliamentary Affairs Rajiv Pratap Rudy has laid the foundation stone for an Industrial Training Institute (ITI) at Kushiabilli, Dimapur. Following this, the Union Minister, during a programme on 'skilling the youths of Nagaland' held at the Patkai Christian College, assured the establishment of a model ITI of international standard. Rudy further announced that Kiphire and Longleng districts would soon have their own ITIs

and that model skill centers would soon be established in all the districts and blocks of the state. Rudy informed that the Prime Minister has given "special instruction to do whatever possible for Nagaland." He further underlined the importance of his Ministry to have direct connection with the youth, asserting skilling of youth as the biggest challenge. "We will bring industry partnership of the highest level and we have a whole plan for the state of Nagaland", Rudy said and promised to come back to Nagaland again.

Rudy, during his address, said one of the biggest challenges that India faces presently is how to impart skills to the millions of educated unemployed youths in the country. Rudy said while countries like China and US have 55 percent skilled workforce, UK 68 percent, Japan 80 percent and South Korea 96 percent skilled workforce, in sharp contrast India has a mere 4.5 percent skilled workforce. "Over the last 67 years, our focus was on education and we thought that skill was a part of education and we did not actually focus on skills and

most of us were after degrees," the Union Minister said. Rudy also informed that presently, 16% of engineering graduates and 17% of management graduates in the country are unemployed. "So the situation is that education is not delivering what the industry wants and this is exactly the biggest challenge we are facing now." Underscoring the importance of skill development and the urgent need to take skills to the doorsteps, he said skill education in the country has to take place under the National Skills Qualifications Framework, approved by the

Union Cabinet and subsequent launching of Skill India mission by Prime Minister, Narendra Modi in 2015. The Union Minister informed that under the framework, even school drop-outs can get employment opportunities. Rudy said the youth of the North East region, particularly Nagaland, are fit to be employed in any part of the world, provided they are given skill orientation trainings and facilities. Iterating Narendra Modi's commitment to develop the North East, Rudy further assured to create a "web of skill centres" in the North East. (Contd. on page 2)
