## Dy. CM lambasts state BJP over seeking of PM appointment

**IT News**  
**Imphal, June 6:** Deputy Chief Minister, Gaikhangam today lambasted BJP Manipur Pradesh delegation over its statement on the seeking of appointment for prime minister.

In a press conference held today morning at his official quarter at Babupara here in Imphal before leaving for New Delhi, Gaikhangam said that state government had officially written seeking appointment of the prime minister as the state government felt it as top most priority.

"Besides, Chief Minister Okram Ibobi had also personally written using his own letter head to give

appointment to the all political party delegations", Gaikhangam said.

The all political party delegation which started leaving for New Delhi from June 3 is on their mission to apprise the central government leadership to get presidential assent of the 3 ILPS related Bills.

"There are no differences of any political parties in the state regarding the 3ILPS related Bills passed by the Manipur Legislative Assembly on August 31", Gaikhangam said.

This issue is of the people of the state and playing blame game will hindered to the government's move for apprising the central government to get presidential assent of the 3 Bills, the deputy Chief Minister added. He further said that it is not good for any party or

Minister as it took too long in giving assent to the 3 ILPS related bills passed by the state government.

When it should be collective effort it is unfortunate that the state BJP delegation met the Union Home Minister separately and spread propaganda that the state government had not seek appointment of the prime Minister.

Gaikhangam further added that it is no harm in giving pressure to the Union Home Ministry or the PMO to give appointment to the All political party delegations as the BJP is leading the government in the center, but taking advantage and playing blamed game is an act of opportunist.

## How Union Home Minister Rajnath Singh lies about and politicises Manipur's ILP

**By : Ningombam Bupenda Meitei**

Union Home Minister of India, who is also a member of BJP, has only methis own party members without involving any other member of any other political party in New Delhi. Without Union Home Ministry's official statement on the outcome or what discussions, or minutes of the meeting, took place in the said meeting, when BJP Manipur team met with Union Home Minister, it clearly exposes that Union Home Minister has not said anything in favour of the Manipur's 3 bills and implementation of ILP (Inner Line Permit) in Manipur. The absence of Union Home Ministry's official statement on

whether the state Chief Minister of Manipur has taken a prior appointment or not, or whether the status of Manipur's 3 bills is already discussed, deliberated and provisionally finalised or not is a matter of serious concern, because if Union Home Ministry cannot, through Press Information Bureau, publish or release its own official statement on the status of Manipur's 3 bills or issues pertaining to them, then Union Home Minister meeting with BJP members of Manipur will be as good as having an informal conversation between BJP leaders in New Delhi and BJP leaders from Manipur, thereby making the discussion merely a party-based informal talk over a cup of tea.

Such informal conversation, wherein BJP Manipur statements are portrayed as the official statements of Union Home Minister and Union Home Ministry, is not a serious business of Narendra Modi government, and such non-seriousness of Modi sarkar towards the people of Manipur and its genuine demands for ILP in Manipur is quite evident in the psyche and consciousness of the Manipur people in 21<sup>st</sup> century.

**How the Union Home Minister politicises Manipur's ILP**

In Zee News India, dated 6<sup>th</sup> June, 2016, "Rajnath unhappy over Manipur anti-migrant bills being 'politicised'", it states that: "Union Home

Minister Rajnath Singh expressed his unhappiness over the way the issue of anti-migrant bills of Manipur, awaiting presidential assent, is being 'politicised'."

In "BJP team lays down case before Rajnath Singh", The Sangai Express (English Edition), dated 6<sup>th</sup> June, 2016, it states that: "The BJP team urged the Union Home Minister to give an appointment to the all party delegation from Manipur as soon as possible...Rajnath Singh stated that he is ever ready to meet the all party delegation. Rajnath stated he was deeply concerned with the prevailing situation in Manipur. After giving a patient

hearing, Rajnath suggested about exploring the best possible solution together with the all party delegation...On being informed that the Chief Minister has resolved not to go back to Manipur without holding a meeting with the Prime Minister on the issue, Rajnath pointed out that as per a schedule fixed earlier, the Prime Minister is currently on a tour of foreign countries for six/seven days. Rajnath went on to ask, "Is the Chief Minister not expected to know the Prime Minister's schedule if he was determined to meet the Prime Minister?" The Chief Minister was politicising the three Bills, Rajnath added..."(Contd. on page 2)
