UNC's economic blockade appears as another factor for currency crisis in the state

IT News
Imphal, Nov 21: In addition to the insecure law and order conditions, the ongoing indefinite economic blockade imposed by United Naga Council (UNC) along the two National Highways has turned out to be another factor to the cause of the currency crisis in the state.

Even as banks here in Imphal has started disbursing Rs. 2000 denominations, people in the state still face difficulties in procuring essential commodities due to unavailability of smaller currency note for change.

Source from the bank authorities stated that due to the ongoing economic blockade along the two national High Ways currency notes are being airlifted due to security problem. For the Rs 2000 denominations airlifting expenses is manageable however, for smaller denominations the expenses if airlifted is very high and may amount to heavy losses. In view of the urgent needs for the people of the state, the Rs 100 denominations are sometimes mixed along with the Rs 2000

denomination while being airlifted. Currency notes are usually transported by road but the prevailing situations here in the state left the bank authority helpless so airlifting is left as the only option, the source added.

On the unavailability of the

smaller currency notes like Rs. 10, Rs 20, Rs. 50 and Rs. 100 notes which were available in plenty before the announcement of the demonetization of the Rs 500 and Rs 1000 denomination by the Prime Minister Narendra Modi, on the midnight of

November 8, the source revealed that the soiled currency notes (which are not usable in market) were usually sent to bank for set up. This process too has been put to halt since November 8 due to the problem of the UNC bandh.

Reports reaching here said that volunteers of the UNC today burnt a loaded truck carrying Chicken feed and some gas cylinders inbetween 3:30 am to 4 am along the Highway near Tadubi. The gas cylinders exploded and the truck cinder into ash. Both the driver and

the co-driver escaped and their whereabouts is still not known. The place where the UNC volunteers burn the truck is just around 1 km South

of Tadubi towards Maram. The UNC volunteers also held captive 4 more loaded trucks carrying cabbage and edible oil.

Speaking on demonetisation after launching the Pradhanmantri Grameen Awas Yojna, an ambitious housing scheme meant for the rural poor in Agra yesterday, the Prime Minister said more than five lakh crore cash has been deposited in banks since last ten days. Addressing a Parivartan rally, Mr. Modi acknowledged that people got some pain due to it but it is in fact punishment for those who had accumulated huge black money.

He thanked people for bearing

the pain of high value note ban. Mr. Modi said his decision to demonetise high value currency notes is punishment for those who have accumulated huge black money.

Under the Pradhanmantri Grameen Awas Yojna scheme, the government will provide pucca houses to all the rural poor of the country by 2022. Addressing a Parivartan rally, Mr. Modi said those who are most deprived in the society will get the benefit first under this scheme. He said the new houses will be equipped with PM Ujjwala Yojna.

scams are attacking him as they have been hit hard by demonetisation. The Prime Minister cautioned people holding Jan Dhan accounts not to allow themselves to be used for laundering the money of the rich by depositing their ill-gotten wealth as they could unnecessarily get into problems with law.

Union Rural Development minister Narendra Singh Tomar said on the occasion that the Pradhanmantri Grameen Awas Yojna, with Rs 81000 crore will be separate from Indira Awas Yojna.
