### I am here only to restore Henglep AC – Mangcha Thangzawm

#### IT News

In rews Imphal, Oct 29: Henglep AC—the land and its people— has been robbed off. All its resources have been drained for the past about 20 years. The AC now looks like a mature person being stripped bare. The journey to Henglep village is testimony to negligence of the AC by the elected representative down the downdre decades.

This was stated by Mangcha Thangzawm, intending candidate Inis was stated by Mangena Inangzawm, intending candidate for 57-Henglep AC while declaring his candidacy at Henglep village among the huge gatherings of village chiefs of Henglep AC, Church, villages and youth leaders and villagers on Tuesday. Mangcha Thangzawm, who is the convener of IPO, Cepur painfully pointed out that people of the AC will no longer allow

painting pointed out that people of the AC with to longer antow anyone to indulge or commit these 'broad daylight robbery.' He further emotionally said that no party or community will be able to regenerate Henglep; but only a committed leader can bring the much needed development in the AC, which is now dubbed as one of the most backward ACs of Manipur.

"Why there is no semblance of governance for the last many years in the AC? Most of the developmental schemes have not reached the targeted beneficiaries. Why all the Govt offices

under Henglep AC are functioning in the district headquarters?," Mangcha Thangzawm asked while pointing out that he jumps to the poll fray with the firm commitment to bring development for all and ensure justice to all.

bring development for all and ensure justice to all. Resource rich Henglep AC is now laid barren, trailing behind other counterparts on developmental front. No sensible persons would tolerate this to happen for the next five years, philanthropist and social activist Mangcha Thangzawm said amidst thunderous applauses from the gatherings.

He urged all concerned to shun playing clan-based politics and stop spreading divisive agenda while also urging the people to vote for the person who has the conviction to rejuvenate Henglep AC sans communal agenda.

Prominent leaders who addressed the gatherings like president of Henglep Area Youth Development Association, president of Henglep Youth Club, representative of Khousabung Area People's Alliance and chief of Muolhoh Paukhosiem and chief of Henglep Mangtinlal expressed their hopes that Mangcha Thangzawm could bail the people and the land out of the mess and disorderliness they are in for the last many years.
