

Nobody can hold the govt to ransom: CM

DIPR
Imphal, Aug 19: Chief Minister N. Biren Singh said that the present Government is fully aware about the issues besieging the State and it has been putting in serious effort to resolve all these issues before people resort to any agitation. However, no organisation/individual should hold the Government to ransom to fulfill any demand, he asserted. He was speaking as the chief guest at the State level Sadbhavana Diwas celebration organised by the State Government at the Banquet Hall of 1st Battalion Manipur Rifles today. Reminding that Nungei violence was reported during the time of the previous Government, the Chief Minister clarified that the file process of providing compensation to the victims

was initiated by the then Government. The compensation amount was fixed as per the reports submitted by the DC and SP concerned, and there was no question of supporting a particular community or discriminating any other group, he added. Asserting that the Government is meant for all the communities, the Chief Minister said that he even requested his Cabinet Ministers not to bring any community-based or region-centric matters to the State Cabinet meeting. The Government does not belong to any community or region, and it ought to work towards bringing uniform development across the State, he observed. N. Biren further opined that Manipur would not be able to march forward towards progress if people keep on remembering the past mistakes and discussing it repeatedly.

He said, "We need to keep away distrust and give up self-centric and community-centric ideas if we aspire to project Manipur in the global race of development." The Chief Minister expressed hope that the civil society organisations of the State would extend co-operation towards this end. Stating that Sadbhavana Diwas is celebrated on the birthday of the youngest ever Prime Minister of the country, Rajiv Gandhi every year, the Chief Minister opined that the celebration assumed lots of significance in a State like Manipur where people of diverse communities have been settling together harmoniously. During his speech, the Chief Minister remembered the works and achievements of the late Prime Minister. Speaking at the occasion as the president, Agriculture and Veterinary and Animal Husbandry Minister V.

Hangkhanlian remembered Rajiv Gandhi as a leader who dreamt of building a new India. He had the acumen of detecting all the inside and outside challenges in advance which could pose threat to the integrity and development of the country. Maintaining that resolving all the discords on the negotiating table was Shri Rajiv Gandhi's policy, Hangkhanlian said that he was instrumental in inking Punjab Accord in 1985 and Mizoram Accord in 1986 that brought peace and tranquillity to these two States. The State also needs to follow his idea of peaceful negotiation in order to restore normalcy, peace and tranquillity, V. Hangkhanlian observed. Later, the Chief Minister administered Sadbhavana pledge to the gathering. Ministers, MLAs, top civil and police officers and Government employees also attended the function

Shija Moves Ahead in Advanced Endoscopy (Endoscopic Ultrasound)

IT News
Imphal, Aug 19: Yet again, for the first time in Manipur, Shija performed the first Endoscopic Ultrasound procedure (EUS) to confirm diagnosis of a swelling in the abdomen. A 25 year lady from Manipur but working in Dimapur, was diagnosed as a case of possible cancer of pancreas at Guwahati and surgery advised. At Shija, she underwent Endoscopic Ultrasound (EUS) guided FNAC (extraction of cells from tumour by fine needle for microscopic examination). Patient was extremely relieved to know that it was not cancer.

The swelling is a very rare condition and very small numbers have been reported worldwide. To be able to diagnose it accurately before surgery is very important as the exact surgery for the condition can now be planned for the patient. EUS is a newly developing modality of investigation and treatment. Apart from the endoscopic view provided by the endoscope there is an ultrasound transducer attached to the tip. Using this instrument it is now possible

to enter the stomach and intestine (duodenum) and perform ultrasound examination from the inside. It is a very versatile instrument and can be used to minutely investigate difficult and perplexing diseases within the abdomen. It can also be used to treat many diseases within the abdomen and thus avoid many advanced and complicated surgeries. Thus the Endoscopy Centre at Shija Hospitals becomes one of the very few centres in the world to provide EUS facilities.

Wangjing to Salungpham IVR road in grave condition; Students stop attending schools

IT News
Thoubal, Aug 19: Locals of Salungpham area in Wangjing Tentha Assembly constituency in Thoubal district expressed resentment over government failure to look into the condition of the Inter Village Road between Wangjing Keithel to Salungpham village. "Potheles have now fielded the road stretch, and when it rains people have to face hardship due to mud and water accumulated on the road", said a villager. The situation is getting worst

this year that people face extreme inconveniences in going to the road which is also a lifeline for the villagers. The IVR road which has been left unnoticed for so many years is only the only route to reach Salungpham. Keirembikhok, Wangjing Tekcham Leikai, Wangjing SK Leikai and other schools located in the area besides being the only route for reaching Wangjing Keithel. Due to the mud and pot holes students who were on their way to school on bicycle slipped and fell down many times and had to return back

home without attending school. Some parents had told their wards to stop going to school as there is no assurance that they might not fall as the condition of the road stretch is terrible. Local MLA has also turn blind eyes, and complaints from the locality for repairing of the road stretch has been not listened, a local of Salungpham said. He urged the concern state government to look into the problems of the people of the state and urged immediate intervention for immediate repairing of the life line of the

villagers. Drivers of the passenger service vehicles - like Auto and Tata Magic openly said that the road stretch between Salungpham and Wangjing Keithel is the worst road in valley districts. They too are considering for suspension of service along the route due to the deteriorating condition of the road. Talking to Imphal Times locals of Salungpham urged state government authority to immediately take stock of the condition of the road and to do the needful at the earliest possible time.
