

JNIMS Scam:

Irregularities, Malpractice and Corruption likely to ruin good image

IT News
Imphal, July 11: Chief Minister N. Biren Singh's commitment to wipe out corruption from the soil of the state is likely to become a mere joke as massive irregularities, malpractice and alleged corruption that has been taking place at state run Jawaharlal Nehru Institute of Medical Sciences (JNIMS) went unnoticed. The past couple of month media reports showed about poor patients being treated at the hospital "free of cost" at the hospital at the expenses of the hospital. The service

get applauses from many quarters but till now the hospital authority had not announced the total cost expend to these poor patients. The question that has been gurgling around is that - is the authority at JNIMS particularly the Director getting some benefit in the name of providing treatment to poor patients who can't afford the treatment. Everybody knows that the expenditure for treatment of these poor patients do not directly come from the Director's pocket. The JNIMS was set up in the year 2009 and the Medical

Council of India officially granted Letter of Permission to admit MBBS students in July 2010. The JNIMS is run by a society with the Chief Minister of Manipur as its President. A highly reliable source said that the present director of JNIMS, Dr.L. Deben Singh is completing his term on July 15 this year. The source added that he has been pushing hard to some relatives of the Chief Minister for extension of his service for another 6 months as Director of JNIMS. As per source with the Imphal Times, the regularization of Dr. L. Deben Singh as Professor in

the Department of Physiology, JNIMS was completely against the recommendation of 21st Governor Council meeting resolution. The GC meeting did not recommend for retrospective regulation but by misusing his position he issued an order contrary to the GC meeting resolution. Dr. Deben also withdrawn a sum of Rs. 8 lakhs in the form of arrears from JNIMS exchequer, the source added. There are also various irregularities committed by Dr. L. Deben Singh which we at the Imphal Times will publish it one after another.

World Population Day observed

FW Ministers calls on for a common commitment to control and sustain population growth

IT News
Imphal, July 11: Minister of Health and Family Welfare, L. Jayantakumar Singh today called on the people to have a common commitment to control and sustain population growth and bring family growth on the occasion of World Population Day.

MCPM remembers Manorama on death anniversary

IT News
Imphal, July 11: The Central Organising Committee of Maoist Communist Party, Manipur observed a memorial function on the death anniversary of Th Manorama who was allegedly killed by security forces after passing her through unmentionable torture. A communiqué released today by the coordinator of standing committee Kyonghan Mangang said the members of the standing committee of the party stood two minutes in silence as a mark of respect to Manorama.

The day Manorama was murdered by the Indian army is a very significant one to the MCPM. Around this period the Manipur Forward Youth Front (MAFYF) was engaged in a movement to expose fake encounters and extra-judicial methods used by the 'imperialist force,' the statement claimed. It recounted further that the news of her death was passed on to the president of MAFYF

by a sympathizer of the organization. Her body had been brought to RIMS mortuary by that time. A team of MAFYF led by president Sapancha Kangleipal reached there to offer grief and promised the people from her locality gathered there that intense forms of protest will be launched for justice, it added.

According to the statement, many personnel of the state police and security persons at

the morgue were seen in tears unable to control themselves after learning about the gory nature of her killing. One sub-inspector reportedly muttered that the manner she was murdered was inhumane, according to the MCPM note. The Apunba Lup was established in the courtyard of the deceased woman and MAFYF passed on the baton of the movement for bringing justice to Manorama to the conglomerate in holding faith

to a united struggle. The MCPM's faith in a united struggle is still alive without any blemish, the Maoist group stated adding that it is prepared to make every contribution and make extreme sacrifices. Time has made it necessary to replace the colonial court that has shut its doors with a people's court which will have the people of Manipur as its arbitrator, the statement stated.
