After High Way tragedies; another 3 minors killed in road rage, grandmother survives with critical wound

IT News Imphal, March 30: Two days after triple road accident at three different places along the National Highway which took the life of 22 people injuring over 30 others, road rage at two separate places killed three minors injuring a grandmother in critical condition. The first tragedy occurred at around 8.30 pm yesterday along the National Highway at Khangabok Area in Thoubal district. 14 years old Th.Abem Devi, daughter of Th.Tiken, Khangabok Sanlou Leikai and her grandmother N.Gambhini

Devi were hit by a sand loaded truck while they were returning after buying goods from Khangabok Keithel. Report said that, the truck hit at a shop and rolled on falling above the minor girl and her grandmother. People around the area tried to rescue both the girl and grandmother but were helpless as the truck was loaded. JCB pull out the truck only to find the minor girl died at the spot. Her grandmother Ghambhini survives with critical injury and is undergoing treatment at a hospital. The deceased girl Th. Abem's

father, Th. Tiken is visually impaired after he was hit by splinters of a bomb blast that took place at Lilong Bridge on August 14, 2003. The second accident took place at around 11.30 am today morning at Oinam Keithel area at Tiddim road in Bishnupur district. Two minor girls studying at class 2 at Chitharembi Public School Oinam were crushed to death by a speeding bus. The deceased minor girls are identified as Mutum Mani Devi, d/o Mutum Sanou Singh and Mutum Chitharembi Devi, d/o Mutum Samarendra Singh.

Parliament passes Finance Bill 2017

AIIR New Delhi, March 30: Parliament has passed Finance Bill 2017 with the Lok Sabha today negating all the five amendments made by the Rajya Sabha. Replying to a debate on the amendments of the Rajya Sabha, Mr. Jaitley said, the government can not accept the amendments of the Upper House. Initiating a discussion on it, Dipendra Hooda of Congress supported the amendments made by the Rajya Sabha. He questioned the government for proposing 40 amendments in different laws through the Finance Bill. He demanded separate law for political funding. BJD leader

Bharturhari Mahtab demanded transparency in funding to the political parties. Saugata Roy of TMC also supported the amendments. Badaruddoza Khan of CPI(M) and A. P. Jithender Reddy of TRS demanded complete ban on corporate funding to the political parties. Yesterday, the Rajya Sabha had returned the Finance Bill 2017 to the Lok Sabha with five amendments moved by the opposition. Of the five amendments, three were moved by Digvijay Singh of Congress and two by Sitaram Yechury of CPI-M. The bill gives effect to the financial proposals of the central government for the financial year 2017-18.

IT News Imphal, March 30: A powerful blast took place at the residence of former MLA of Thongju Assembly Constituency, Bijoy Kojiam at Thongju Part 2 Pheija Leitong at around 10.30 pm last night. No human casualty occurred in the blast however, street lamp in front of the gate of the residence, a tube light and window glasses of the of houses were destroyed in the blast. Police source said that the bomb is a low intensity IED. No individuals or group has claimed responsibility of the blast at the time of filing this story. Decrying the blast, women folk of the area staged a sit in protest at Pheja Leitong Community Hall. Protestors demanded immediate clarification of the attack and appealed not to triggered such deadly blast at residential area.

IT News Imphal, March 30: The human society is the under the silent threat from chemical fertilizers; organic farming is the only alternative means to save the people from slow poisoning of chemical fertilizers and lead a healthy life.

It was said by Sah Sangh Chalak of Rashtriya Swayamsevak Sangh (RSS) Manipur Pranta, Dr L Ibhongal Singh, while delivering his presidential speech at the valedictory function of 5-days-long awareness-cum-training programme for farmers on organic farming, natural farming and cow based economy organised by Rajarshi Bhaigyaachandra Skill Development Centre, Hararou under Imphal East in association with Central Agricultural University, Iroisenba today at the central hall of the Skill Development Centre. India is an agri-based economy; but the increasing inclination of using chemical fertilizers in agricultural cultivation has posed a serious threat to the society. Major agricultural producers of the county like Punjab and Haryana had experienced the

impact of adopting chemical fertilizers, said the Sah Sangh Chalak of Rss. While appealing the farmers to be sincere in their occupation, Sah Sangh Chalak Dr Ibhongal stated that the healthiness of the public is in the hands of farmers. In his speech, Ningthoujam Shyamachand Singh, General Secretary Organisation of Bharatiya Kishan Sangh (BKS), Manipur Pranta who attended the function as Guest of Honour highlighted the problems being face by farmers' community in Manipur. He said that illiterate and poor farmers are becoming victims of corrupt politicians and insincere NGOs that are

working in the field of agriculture. Insincere politicians and NGOs have siphon off funds that are sanctioned for the welfare of farmers under various schemes; they left the innocent farmers to their own fate, alleged the General Secretary Organisation of BKS. N Indrajit Singh, Parliamentary Secretary (MAHUD); Dr Th Robindro Singh, Deputy Director of Research, CAU and Angad Prasad, Deputy Director, Department of Exention Education, CAU also attended the function as chief guest and guests of honour respectively. Dignitaries, who attended the valedictory function distributed certificate and plant saplings to around 200 trainees.
