

CM launches CIS national core version 1.0 for the high court of Manipur

DIPR
Imphal, May 23: To maintain transparency and accountability of the judiciary, Chief Minister Shri N. Biren Singh today launched the CIS (Case Information System) National Core Version 1.0 for the High Court of Manipur at the Auditorium of High Court of Manipur.

Speaking at the function as Chief Guest, Chief Minister Shri N. Biren said, "Today is a remarkable day in the history of Administration of Justice in the State as anyone from anywhere can access every detail of cases before the courts through the new version of CIS National Core Version 1.0." Shri N. Biren said that it is necessary that the Access to Justice to all should reach out to the hill districts of the State. He further assured that the government would not interfere in the work of Judiciary.

Condemning the increasing number of cases of mob justice in the State, Chief Minister said, "If we continue to allow mob justice to happen, the Rule of Law has no meaning in the State." A collective effort is needed so that we can curb such evil practice of mob justice, he added. Announcing that a Judicial Academy of Manipur would be

established in Pangei, Shri N. Biren Singh said that the government has also decided to open five full time Family Courts for Imphal East, Thoubal, Bishnupur, Churachandpur and Senapati Districts. He further mentioned that the State government would pursue the Central Government for the infrastructural development and for increasing the manpower such as appointment of Judges etc of the Courts. He said that new courts will be opened for which 40 posts have already been created.

Addressing the august gathering, Chief Justice of High Court of Manipur, Shri Rakesh Ranjan Prasad said that the ideal goal of Case Information System (CIS) is to have a paperless court so that anybody and everybody can

access through internet and get information on the orders passed, progress and status of the pending cases. He stressed that such step would enhance the Access to Justice to all.

During his speech, Judge, Supreme Court of India, Justice Madan B. Lokur said that such initiative would improve the services of judiciary such as transparency in the entire functioning of the court, accountability of Judicial Officers and to know the case management. With the CIS National Judicial Data Grid, Judiciary could deliver faster and cheaper justice to the people, he added. Justice Madan B. Lokur further said that a mobile application will be launched soon so that people can easily access the status of the cases through their mobile phones. He

added, "For Manipur, Rs 4.75 crores have been sanctioned for the purchase of necessary hardwares and to develop manpower to meet the local needs. He requested the Manipur Government to set up a Law Commission for Manipur.

Minister for Law and Legislative Affairs, Shri L. Jayantakumar Singh, Judge, High Court of Manipur, Justice N. Kotiswar Singh, Judge, High Court of Manipur, Justice Kh. Nobin Singh, Senior Advocates, members of Bar Council of Manipur and officials of High Court of Manipur attended the function.

During the function, a demonstration on the usage of the Case Information System (CIS) through the website of High Court of Manipur was presented.

Shutdown affects life in Moreh

Northeast News Agency

IMPHAL, May 23: The 24-hour total shutdown call given by social organisations in the border town under Tengnoupal district on the India-Myanmar border over the killing of a woman labourer hit normal life on Tuesday.

Normal commercial activities in Moreh town came to a grinding halt as all shops and business establishments down shutters in the markets due to the strike that began from 8 pm of May 22.

A shanti Devi, 47, was shot dead by two unknown motorcycle borne assailants who opened fire on her at Moreh Gate No.4.

Moreh and Namphalong markets located on the fringe of Indo-Myanmar border were a deserted look due to the shutdown.

Strike supporters burnt tyres on different roads to block traffic movement since early morning. No untoward incidents have been reported so far during the ongoing bandh which ends at 8 pm today. Sources in the joint action committee (JAC) set up over the killing of Shanti said protest will continue unless the authority brings all culprits to book and punish within 24 hours.

The motive behind the killing is not yet known and the police

are investigating it, sources informed.

Enraged by the fatal shooting incident, the Meetee Council Moreh, Hill Tribal Council Moreh, Manipur Muslim Council Moreh and other Moreh-based social organisations had jointly announced the bandh to protest the killing.

Moreh residents have been angered by a series of incidents like bomb blasts and attack on security personnel recently happened in the town and its neighbouring villages. They are also angry with the Manipur government allegedly for not being able to curb violence in the town.

The incident comes hours after the Board of School Education Haryana released an incorrect merit list of Class 10 results. The error was rectified later.

Anti Corruption cell says complainant cannot withdraw complaint lodge to the ACC

IT News
Imphal, May 23: OSD of the Anti Corruption Cell, Manipur, P Gojendro Singh has appealed the general public to file their complaints in the interest of the welfare of the state and not for personal gain. The appealed came in the aftermath of an incident at which a complainant approach the cell for withdrawal of the

complaint lodge by him on the ground that the matter was settled on mutual understanding between the two parties. A press statement of the ACC Manipur stated that the Cell took up complaints not only to address the grievance of the Complainant but in the larger interest of the state to uproot corruption.

It further stated that once a complaint is lodge to the Cell, it was endorsed to the concern department for enquiry. Later the concern department submitted the report of their finding to the ACC. After receiving the report the matter was placed before the Screening Committee chaired by the Chief Secretary of Manipur for further comment.

UNLF condemns killing of woman Moreh

IT News
Imphal, May 23: Proscribed group United National Liberation Front (UNLF) today strongly condemned the killing of a working lady at Moreh at around 4 pm yesterday. The working lady identified as Shanti was shot dead by firing indiscriminately by armed miscreants at Moreh premanagar by two gunman. The signed by M. Sak-hen,

Director, Department of Publicity UNLF said that the killing of the lady was committed by hired agents of the Indian Security Forces. It said even the people of Moreh also knew it. The kind of act is carried out by the Indian Security forces to suppress the freedom struggle of the people of the region and also to create fear psychosis to the people of the region.

Manipuri people, particularly the working class community should condemn such act of the Indian Security forces at which a daily wage earner lady was shot dead mercilessly, said that statement. The statement further added that the people of Moreh, irrespective of their communities should rise to punish those involved in the heinous crime.

Barak Spring festival concludes

IT News
Imphal, May 23: The two days Barak Spring festival which was inaugurated by the chief Minister of Manipur N. Biren Singh concluded today. The closing function was attended by Major general Suresh Kumar, YSMGOC as the Chief Guest while DC Senapati Athem Muivah presided over it. Leaders of various tribes of Senapati District also attended the closing function as dignitaries.

In his speech, Maj. Gen Suresh Kumar terms the festival as a symbol of peace. "A hope this generation will have more generous happy future", said Suresh Kumar describing the significance of the festival. DC Senapati, Athem Muivah said, "As we have a fragile environment, management of the waste needs to start from our own houses and the public places our it will become a threat in the

environmental system". He said Important of the Barak spring festival with the motto of reclaiming responsibility is extending the knowledge and activities to the children, educational institutions and other different areas where the future generations can be aware to save guard our environment including mainly the rivers flowing in our state which passes through other states.
