as a whole. The Chief Minister also expressed hope that tax collection in the State would rise in the GST regime. Also addressing the meeting, Chief Secretary Pankaj Kumar hailed GST as a major pathbreaking reform of Indian taxation system. The workshop was organized to familiarize the legislators with the important features of the new GST system.

PM Modi pays tributes to Jawaharlal Nehru on his 53rd death anniversary

ANI New Delhi, May 27: Prime Minister Narendra Modi on Saturday paid his tributes to former prime minister Pandit Jawaharlal Nehru on his 53rd death anniversary. Remembering the first Prime Minister, Prime Minister Modi tweeted, "Tributes to Pandit Jawaharlal Nehru on his death anniversary". Pandit Nehru was born on November 14, 1889 in

Allahabad. In 1919, he joined the Indian National Congress and joined Mahatma Gandhi in the independence movement. He became the General Secretary of the All India Congress Committee in September 1923.

On August 29, 1928 he attended the All-Party Congress and was one of the signatories to the Nehru Report Indian on

Constitutional Reform, named after his father Motilal Nehru. In 1929. Nehru was elected the president of the Lahore Session of the Indian National Congress, where complete independence for the country was adopted as

the goal. He was imprisoned several times during 1930-35 in connection with the Salt Satyagraha and other movements launched by the Congress. Nehru's birthday is also

celebrated as Children's Day. He was sworn-in on August

15, 1947 as the first prime minister of India when the nation gained independence from the British empire. Serving until his death till May 27, 1964, Nehru remains India's longest-serving prime minister. Largest paediatric chest tumor removed

IT News Imphal May 27: A rare case of thymic mass (anterior mediastinal tumour or tumor in the frontal chest cavity) was successfully removed from a young girl of 9 years old. A team of doctors led by Dr. Sidartha Lukram, Consultant Cardiothoracic & Vascular Surgeon, Shija Hospitals performed the surgery successfully. Dr Sidartha mentioned that it was a rare case of thymic tumor in

children, one of the largest of its kind ever reported in literature. It was causing compression on the heart and

lung causing breathing difficulty and chest pain. The patient was operated on 21st May, 2017 and post operatively the complex surgical patient was managed with e'ase in the well equipped Paediatric Intensive Care Unit (PICU) of Shija Hospitals. The patient was discharged fit from the hospital on 25th May'17.

constituency of chief minister N Biren. The wife of the chief minister also visited the site of the protest of the school promptly, he stated

to share grief and offer support. The protestors requested her help in solving the murder and declined other assistances. A group of people from Heingang went
