## 2 SF killed, 2 injured as UGs triggered IED at Lokchoa

**IT News**  
**Imphal, May 8:** At least 2 personnel of the 165<sup>th</sup> Territorial Army Battalion were killed another 2 sustain serious injury after suspected UGs triggered an IED at Lokchoa area in Tegnoupal District around 5.50 am today morning. The Security Forces were coming in a vehicle when the UGs triggered the IED. Front glass shield of the vehicle was destroyed and both the front tyres were also flattened by the blast.  
The SF killed in the blast has been identified as Arjun Baral, son of Tankanath Baral of Koubru Leikha Village of Kangpokpi district. He is a sepoy in the 165<sup>th</sup> TA B-Coy. He was reported brought dead at Military Hospital Leimakhong. His body has been deposited at JNIMS morgue.

The other deceased is identified as NK Veroso Hungyo, (age about 38 years), son of late, katohei Hungyo of Leishipung village, Senapati district succumbed to his injury after undergoing treatment at ICU, Shija Hospital. He sustained multiple head injury. The two injured are identified as Y. Govind Singh of Kakching

**IT News**  
**Imphal, May 8:** Chief Minister N. Biren today vehemently condemn the attack to the SF at Lokchoa. In his Facebook page, the Chief Minister wrote, "I strongly condemn the cowardly act of ambushing a convoy of 165 TA B.Coy at Lokchoa where 3 jawans are injured and condole the death of a jawan in the IED blast". National General Secretary of BJP, Ram Madhav, who is presently in Imphal, while taking the incident with extra seriousness said that tough action will be initiated against those responsible in the

attack. In an interview with the ANI, the BJP leader said that the attacks are being architected by groups which are not in the region. He said that the government will investigate today's incident and tough action will be initiated to those involved in the incident.  
"We take serious note of today's incident, it has become a pattern, every year there are few attacks, on our security forces in Manipur these are being largely architected by groups which are not in this region, They uphold objectivity to continue strife in the region. We will

investigate on who is behind in today's incidents and tough action will be taken up against the perpetrators", Ram Madhav said.  
On being asked whether there are security lapses or not, Ram Madhav said that there is adequate security arrangement even though such attack happens sometime. He further added that what is important is to find out who are behind the attack. The BJP General Secretary also said that the government is also working out to find a long term solution of the Underground problem.

## CM condemns, Ram Madhav assures actions

He said those two wheeler drivers without helmet will be detained in custody until one among the family bought helmet beside being fined.

## Chief Minister instructs to expedite Biometric Enumeration for Aadhar Generation in Hill Districts

**DIPR**  
**Imphal, May 08:** Chief Minister Shri N Biren presided a review meeting on the progress of biometric capturing in hill districts for Aadhar enrolment in the Cabinet Hall of Chief Minister's Secretariat today. Ministers, Parliamentary Secretaries, MLAs, top bureaucrats of the State Government, DCs of hill districts and officials concerned attended the meeting.  
Biometric enumeration (BME) for Aadhar card generation is being undertaken by MANITRON and In-Media Computer in the State now. Stating that the rate of biometric enumeration in almost all the hill districts is very low when compared with valley districts, the Chief Minister observed that BME must be expedited in hill areas as direct benefit transfer (DBT) of Government-sponsored welfare schemes would require Aadhar cards/numbers.  
During the meeting, the Chief Minister instructed

MANITRON and In-Media officials to depute all its BME teams in hill districts leaving only 4-5 teams in the State Capital. The Chief Minister also directed the respective MLAs of hill districts and DCs concerned to co-ordinate with MANITRON and In-Media officials to chalk out a schedule for commencing on-the-spot biometric capturing in different villages within a week. Principal Secretary (Planning) Shri Vineet Joshi, who is also the Principal Secretary to CM,

## Anshu Jamsenpa to attempt Everest climb for fifth time

**By: Pradeep Kumar, ANI**  
**Itanagar , May 8 :** Anshu Jamsenpa, a resident of Bomdila is now fully prepared at the Everest base camp located at an altitude of 17,598-feet from sea level to start scaling the world's highest peak within four to five days depending on the climate, her husband Tsering Wange told ANI over telephone. This would be her fifth attempt and should she achieve this

target, she will be the first woman in the world to do so, he said.  
The 32-year-old, mother of two girls, conquered the world's highest peak twice in 10 days between May 12 and 21, 2011. She made her third successful attempt on May 18, 2013 and her fourth April 5,

2015.  
Tapi Mra was first Arunachalee to conquer Everest on May 21, 2009. She was followed by 25-year-old Tine Mena from Roing on May 9, 2011, Nima Lama on May 17, 2013 and SSB head constable Tame Bagang on May 21, 2016.

## One – Day Regional Seminar cum workshop held

**DIPR**  
**Imphal, May 8:** Education Minister Th. Radheshyam inaugurated a One – Day Regional Seminar Cum Workshop on "Sustainable Skill Development in Higher Education: Problems and Prospects", today at The Dhanamanjuri College of Science, Imphal. The seminar, organised by Dhanamanjuri Community College approved under Deen Dayal Upadhyay Centre For Knowledge Acquisition And Upgradation Of Skilled Human Abilities And Livelihood (DDU KAUSHAL), aims to sensitise the progress and issues of sustainability of the skill based programme in Higher Secondary Education Sector. Pointing out that unemployment is one of the

biggest challenges in today's world Radheshyam said education, a medium for imparting knowledge, should be made to be able to address the concern issue of unemployment prevailing in the society. He added, youths of today should be imbued with skills and education to make them able to furnish their goals in life with an aim to utilise the best of what they have gained through such programme and training classes.  
The Minister also encouraged the students and delegates present at the seminar cum workshop, and said youth should be guided with a holistic approach to make themselves have clear vision of what they should choose from the variety of placements

available. The minister said, once the students complete the training, they should not remain idle but work with all seriousness to contribute positively towards the society. Joint Secretary UGC (NERO), Dr. Mohd Arif said, as compared to other developing

products, cultural richness, build positive attitude towards technology, increase efficiency and effectiveness of the governance, strengthening competencies and developing commitment, he said.  
The Dhanamanjuri Community College was started in 2014 with two trades of Advanced Diploma in Medical Lab Technology and Advanced Diploma in Fruits & Vegetables Technology. It was expanded in 2015 and another trade Advanced Diploma in Television and Media Productions was approved for the Scheme of DDU Kaushal Kendra under University Grants Commission recently upgraded to the Centre for Research & Development Activities.
