

Media should make extra efforts to maintain credibility: PM

AIR
New Delhi, Nov 6: Prime Minister Narendra Modi today said that media should make extra efforts to maintain credibility and also indulge in healthy competition. Speaking at 75th anniversary celebrations of the Daily Thanthi newspaper in Chennai, the Prime Minister said, editorial freedom must be used wisely in public interest. He said, in a broader context, media is a means of transforming society that is why it is referred as the fourth pillar of democracy. Mr Modi said, a lot of the media discourse today revolves around politics but India is more than just us politicians. He urged media to focus a lot more, on their stories, and their achievements.

CM N. Biren lambast Congress and other Political Party who are against demonetization and GST

IT News
Imphal, Nov 6: Chief Minister N. Biren Singh today made slashing criticism to Congress and other opposition party who are voicing against the demonetization and GST by Prime Minister Narendra Modi saying that such political parties misleading the general public are addicted to scams and black money. N. Biren Singh was talking at the inaugural function of Yuva Sammelan organised by Bharatiya Janata Yuva Morcha at Khundrakpam Lainingthou Panganba Community Hall in Kundrakpam Assembly constituency. The Yuva Sammelan is being organised in support of the Prime Minister Narendra Modi's demonetization and GST.

Lambasting the Congress party, N. Biren said that in 60 years of congress ruled the country has been broken into pieces and a huge amount of black money have been deposited at Swiss Bank as blank money in foreign Country. Money which were sanction for the welfare of the poor people have been hijacked by the past government. Inorder to deliver justice to the poor the BJP led government led by Prime Minister Narendra Modi had taken up the demonetization move and introduced GST. The chief minister further said that political parties which were rejected by the people by not electing even single representatives should remain quite as they are no longer accepted by the people.

"BJP is a now the peoples' mandate, the party has been doing many welfare programme, have bridge the differences between the Hills and the plain people, and will continue the good work. Works Minister Th. Bishwajit who also attended the inaugural function of the Sammelan said that power sector will be improved in the state and electrification across the state will be completed in the coming days. He said connectivity is a serious concern of the government however, due to rainy season repairing works of road connectivity could not be implemented. As rainy season has been over the government will start works for improving of the road connectivity on war footing.

Nagaland CM's delegates meet DoNER Minister over Naga Political Solution

Kohima, Nov 6: Nagaland Chief Minister T. R. Zeliang along with his Cabinet colleagues and Member of Lok Sabha Neiphu Rio called on Union Minister of State (Independent Charge) for Development of North Eastern Region and Minister of State (Prime Minister's Office) Dr Jitendra Singh. A release from CMO Nagaland said during the discussion with Dr. Jitendra Singh at Nagaland House, New Delhi on Saturday, Zeliang appreciated the leadership and vision of Prime Minister Narendra Modi for having ensured that the Naga political issue is very near to the final settlement. Further, Zeliang emphasized that it is essential that the process for finalizing the final solution to its logical end is expedited. The CM mentioned that it has been 20 years of negotiations and with the State scheduled to have Assembly Polls early next year, it is important that settlement of Naga Political issue is done before the elections.

The CMO release maintained that Union Minister Dr. Jitendra Singh appreciated the initiative expressed hope that settlement of Naga Political Issue will be done soon. The Nagaland Chief Ministerial delegation also had a meeting with the Working Group for the six Naga Nationalist Political Groups, NNPGs who have been invited by Central Government to be a part of the ongoing Naga political talks in New Delhi. The leaders of the Working Committee included Convener N. Kitovi Zhimomi and Co-Conveners Zhopra Vero, Hozhet o Chophy, V. Nagi, Kiumukam and Wangtin Naga and Envoy Alezo Venuh. During the meeting, which was held on Saturday evening, Chief Minister T R Zeliang said

involvement of the six NNPGs in the talks is essential for an inclusive and durable solution to the long standing issue. He complimented the leaders of the NNPGs for their vision and maturity in joining the talks and hoped that with the sincerity being shown by Central Government, the final settlement seems to be very near. He also mentioned about the need of settlement before the next state general elections due in February next year. A release stated that Convener of the Working Group N Kitovi and other leaders impressed upon Chief Minister and all leaders to continue working towards ensuring a final settlement of Naga Political Issue that is inclusive, honourable and acceptable to all for long standing Peace in the State.

Tiddim road to be repaired ahead of Sangai Festival

IT News
Imphal, Nov 6: Potholes on Tiddim road will be repaired by November 15, ahead of the upcoming Manipur Sangai Festival 2017, said Chief Engineer of National Highway and Buildings, PWD, Government of Manipur. N Noren Singh, Chief Engineer of National Highway and Buildings, PWD, announced the repairing of the Tiddim road will be completed ahead of the Manipur Sangai Festival during a media interaction at his office chamber of Public Works Department (PWD), today. N Noren Singh said that the repairing works of the Tiddim

road were put to halt due to the heavy rains and bad weather conditions in the state but his department is trying their best to fill up the potholes and repair the condition of roads in-order to provide good roads for the public conveniences. N Noren Singh also said that recently some local dailies had published that there are more than 20 potholes on the road stretch of Imphal to Keibul Lamjao at such a crucial hour which is very unfortunate while his department is putting their sincere and best effort to fill up all the potholes and repair the road stretch of Tiddim road.

Such demotivating information should not be published by the local dailies which can tarnish the image of the engineers in front of the public when they putting their best effort to complete the pending works left behind due to the bad weather condition ahead of the festival, Noren urged. N Noren Singh further said that no appreciative information were shared to the local dailies when the PWD Engineers work day and night during the landslide occurred along the Imphal-Mao road in order to assured essential commodities and items could

reach on time. N Noren Singh assured to repair the potholes and the road condition of Imphal-Mao and Imphal-Moreh roads within the next two to three months. Efforts are on to convert the old Lokchao Bridge which is still in existence since World War 2 into an Reinforced Cement Concrete (RCC) Bridge, Noren asserts.
