

BJP is either cheating the NSCN-IM or the People of the state – Joykishan

IT News
Imphal, Aug 29,
Congress Spokesperson, Khumukcham Joykishan today threw a slashing criticism to the ruling BJP government saying that the ruling BJP is either cheating the NSCN-IM or the people of the state in the shadow of the Frame Work Agreement. "The BJP is either cheating the NSCN-IM or the people of the state", MLA Khumukcham

Joykishan, who is also the spokesperson of the Manipur Pradesh Congress Committee said during a press conference held today morning at Congress Bhavan. Joykishan further said that the BJP government is telling something playing the emotions of the NSCN-IM and similarly another thing to the people of the state to spew venom among the two communities to fuel hatred and tension. "This is a game plan of the BJP and would not last long", Joykishan said and added that by December after the imposition of the code of conduct of the upcoming Lok Sabha Election everything that they are playing will come to the public sphere.

The MPCC spokesperson further stated that at that time people will know whether the BJP is sincere in solving the problem. The double face of the BJP which said something to the people of Manipur and something else to the NSCN-IM cannot be

keep conceal, Joykishan added. The MLA expressed skepticism on whether the BJP government will bring a peaceful solution without disturbing the unity of Manipur. Joykishan also term the various issues like Myanmar intrusion to Manipur Territories, over 80 days long impasse at Manipur University which could have easily solved with a short span as an instrument to divert the mind of the people be creating chaos among the people. "These issues are being provoked by the BJP as they are afraid that people might know the reality that the BJP is playing", Joykishan hits the bull eyes.

Joykishan further said that when they are saying that nothing will be affected to the unity of Manipur while solving the Naga problem and people including the BJP congress have been expecting an early solution to the problem of the NSCN-IM, then why the problem has

been solved till now. The series of issues is nothing but to divert the real issues of how the BJP government is ruining the people of the state. Joykishan said this by mentioning the influx of price in essential commodities like petrol diesel and others. On the other hand the MPCC Spokesperson called the BJP government as the worst government in the history of democratic India. Price rice of essential commodities including LPG cooking gas, Petrol and other edible items are not check by the government. "Which commodities had been reduced its price after the introduction of GST", Joykishan question .

MLA AK Mirabaio also slammed the ruling BJP over its failure to control the price of the essential items. She said that LPG cooking gas has gone up to rs. 900 and the petrol price reached its highest price during BJP regime.

Rape and molest on the rise ; 2 minors girl rape and molested

IT News
Imphal, Aug 29
A minor girl of a school, who stayed at the hostel was reportedly rape in Samurou area by her own teacher some days back. The matter came to light after the girl student narrated the story to her parents. The teacher had surrendered to Police as per information. School at which the minor girl has been raped is concealed for security reason.

On the other hand a 15 years old girl was also molested by her relative somewhere at Patsoi area (the exact location is withheld for the security of the students). A complaint has been made to Patsoi police station but the family of the accused tried to console the matter. The victim girl was today conducted medical examination at Forensic Science . RIMS and the case has been handed over to women police station Imphal west.

MBC new policy has encourage many villages to adopt forest conversation

From our correspondent
Imphal, Aug 29,
With the formation and implementation of the environment and climate policy of Manipur Baptist Convention (MBC), many villages in the state have adopted the forest conversation in their areas, according to Director T Karang Maram of Peace and development department, MBC. Speaking to this reporter, Director Karang Maram said that the environment and climate policy of MBC was conceived in 2012 and implemented in 2015 after the church authorities and village chiefs decided to take up the right approach to prevent dangerous effect of environment and climate. The policy is covering 1330

local and Fellowship churches of MBC under 29 Associations having more than 4 lakh members. "So far Churches of Chothe, Vaiphei, Maram, Liagmai etc have already adopted community reserved forests in their respective jurisdictions," he said. "NERCORMP also assisted community forest conversation at Chandonpokpi in Chandel district." NERCORMP (North Eastern Region Community Resource Management Project), a joint developmental initiative of the North Eastern Council and International Fund for Agricultural Development, is a livelihood and rural development project aimed to transform the lives of the poor and marginalized

tribal families in NE India. Informing that during his 11 months posting as a Deputy Commissioner of Tamenglong district, Armstrong Pame had worked his level best for the betterment of the people and development of environment of the district by issuing necessary order to protect the forest and wildlife during breeding season (April-September), the MBC functionary added, two days awareness programmes for the churches by the social and environment services at their respective areas really helps the church members in understanding the issues relating to environment and climate change. As per the environment and climate policy of MBC, all the churches under the convention observed 1st Sunday of June as green Sunday in honour of God's creation and for the enhancement of protection of nature and environment with meaningful activities. The idea is to have a day of retrospection and repentance for the past negligence towards God's creation and a day of thanks-giving and recommitment for stewardship. Interestingly incorporation of environmental lessons in Sunday schools, awareness on importance of biodiversity, effects of using chemicals in fishing, awareness education on climate change, community reserve forest protection, waste management etc happens to be the major steps of the MBC policy.

JFA condemns Bangla scribe's murder

From our correspondent
Guwahati, Aug 29,
Journalists' Forum Assam (JFA) has condemned the murder of a Bangladeshi female journalist and urged the Sheikh Hasina government in Dhaka to book the culprits under the law. The media rights forum pointed out that as the country has been approaching for the next general elections by end of this year, one may apprehend more such attacks on media persons in the coming days. It may be noted that a group of unidentified assailants on Tuesday (28 August 2018) night

hacked Suborna Nodi to death at her Pabna residence. The thirty crossed journalist used to report for Ananda television news and Dainik Jagrato Bangla paper. She left behind a minor girl along with other relatives. India reported the murder of four journalists (namely Syed Shujaat Bukhari, Sandeep Sharma, Navin Nischal and Vijay Singh) in the last eight months. The largest democracy in the globe is placed at 138 out of 180 countries in Reporters Without Borders (Reporters Sans Frontières) 2018 global

press freedom index, followed by Pakistan (139), Thailand (140), Cambodia (142), Malaysia (145), Bangladesh (146) etc. "Journalists across the world today face a serious challenge, where the media fraternity in the Indian subcontinent continues pursuing for a pragmatic action plan to safeguard the scribes in the line of military, police and doctors on duty. Our point is very clear, if the nations want them to pursue serious journalism, their security along with justice must be ensured," said a JFA statement.

MU crisis: Enquiry yet to begin, former incharge Registrar and AP Pandey still not handed over important keys

IT News
Imphal, Aug 29

Finally the dust has been settled in Manipur University with teachers and staffs resuming its normal works since August 24. Speaking to

important documents. However, might hand it over by tomorrow. Dolendro added. Meanwhile, enquiry over the allegation to VC AP Pandey is likely to begin from September 1st week as per source.

HTC Moreh amongst others appeal TSA to withdraw PIL in regard to July 13 firing incident

IT News
Moreh, Aug 29

A joint statement signed by the Presidents of Hill Tribal Council, Kuki Students' Organisation, Moreh, Moreh Youth Club and Kuki Women Union and Human Rights has appealed the Thadou Students' Association to withdraw the PIL filed in the Manipur High Court in regard to the firing and bomb blast incident at

Moreh on July 13 at around 2.am. "It would be the wisest decision on their part (TSA) to withdraw the PIL immediately and unconditionally", the statement signed by the four presidents of the four organization said in a statement . The statement also stated that Thongminlun has no complaint whatsoever to anybody to

anywhere. It stated that the incident occurred due to misunderstanding between two secrete rival groups of UGs and Thongminlun knew that he was not the target. "Acting on the grime situation, the CSOs leaders intervened to bring about peace in the town. The two groups were brought to a negotiating table to resolve the matter. A banquet was arranged and

an unconditional peace accord was signed by the two groups in the interest of concern and welfare of the general public according to the Kuki Customary Law ". The statement said and added that the chapter is closed. The four CSOs said any untoward incidents between the two groups arises due to the case should be held responsible by the TSA, the statement added.
