## Is the Chief Minister N. Biren Singh the spokesperson of Prof. A P Pandey?

IT News  
Imphal, July 13,

President of the Manipur University Students' Union (MUSU), M Dayamand today questioned whether the Chief Minister of Manipur N. Biren Singh is the spokesperson of the Vice Chancellor Prof. AP Pandey. The student leader

asked this question following the statement of the Chief Minister during the press conference held yesterday which he tried to protect the incumbent VC Pandey saying the ongoing agitation is due to the instigation of an UG group over failure to pay a sum of Rs. 5 Crore demanded to the VC.

Dayamand said several memorandums regarding the irregularities of the VC Prof. AP Pandey have been submitted both from the MUSU as well as from the MUTA to the Chief Minister, MHRD and the Governor. Instead of looking into the matter which the University Community submitted, it is

- MU community unfortunate that the Chief Minister showed favouritism to the VC Pandey saying that he received a demand of Rs. 5 crore from an UG and pointed it as the root of the present impasse.

Reacting to news report at which the HRD Minister had constituted an enquiry committee, Dayamand said the report did not mentioned clearly on whether he should be remain as VC during the enquiry. If so the MUSU and other University community will continue the agitation until the VC is removed.

Spokesperson of MUTA, Ng. Nimai while talking to media persons also strongly reacted to the constitution of an enquiry committee by the MHRD saying that the enquiry should be conducted by an independent body. He further said that the enquiry cannot be conducted while the VC remains in the office. He demanded the enquiry be conducted after suspension of VC.

The MUTA spokesperson also questioned the Chief Minister whether he would prefer saving the VC or the University.

After almost 42 days of total shut down affecting all academic activities in the Manipur University, the Ministry of Human Resource Development is finally set up a fact-finding committee to probe into the allegations against Manipur University Vice-Chancellor.

The HRD move has come after the President's Office sought information on the issue and Chief Minister N Biren Singh's repeated requests for central government intervention to break the impasse, report by National Daily Economic Times.

As per the report the committee, will have officials from the HRD ministry and the University Grants Commission (UGC) will submit its report within a month, The Economic Times report.

## Manipur becomes the 3<sup>rd</sup> state in the country to launch NGDRS

DIPR  
Bishnupur, July 13,

CAF & PD, Revenue Minister Karam Shyam said that with the application of the NGDRS, there will be more accuracy, transparency, sellers & buyers' facilities in online registration apart from saving time and money. It's indeed a proud moment for the Government that the District Administration Bishnupur is launching the NGDRS for the first time in the State and the 3<sup>rd</sup> in the country after Punjab & Andamans and Nicobar Island, he stated.

Today's global scenario is a digital world where highest technology is at it's highest

peak level and the State is developing with speed, he expressed while attending the launching function of the National Generic Document Registration System (NGDRS) at New Mini-Secretariat, Bishnupur today as the Chief Guest.

A video-conferencing session with NIC Delhi and Pune was also held simultaneously as part of the NGDRS software launching function for Sub-Registrar, Bishnupur with Director General, NIC, Smt. Neeta Verma as the Guest of honour.

The function was organised by District Administration Bishnupur in collaboration with NIC Manipur.

Deputy Commissioner Bishnupur, Shri Pawan Yadav; State Information Officer, Shri Kh. Rajen Singh; Secretary Revenue, Shri T Ranjit and Deputy Secretary Revenue, Shri Y Rajen chaired the dais along with the Minister at the function. Drawing attention on the misconception of the public that the Revenue Department is not transparent, Minister Karam Shyam said that with NGDRS, there will now be facility for blocking registration & mutation/partition with wrong land records.

"We recognize the role of NIC in connection with food security and land records. NGDRS will be rolled out in

6-7 more districts of the State and the Government is ready to co-operate with the new initiative to ensure transparency in administration", he assured. He also congratulated Bishnupur for achieving 100% computerization of land records while Imphal West, Imphal East and Thoubal has merely computerised 67%, 91% & 64% of the land records. While briefing the gathering via video-conferencing, Neeta Verma highlighted that NGDRS is a generic, cloud based system that provides a digital solution for registration of documents and is much simpler, faster, cost-effective

apart from saving time. Aimed at 'One Nation One Software', it is easy to use as we have to just configure the software with the requirements of the State, she added. DC Pawan Yadav stated that the new system helps in modernizing & streamlining the Revenue Department by mentioning its advantages. Some features of NGDRS software are e-governance, open source technology & Unicode based multiple local language compliant application. H.Komol Singh of ward no. 8 & T.Bidyanari of ward no. 7 of the district were awarded certificates for using the document registration system.
