

Ignorant or with an intention; this government still violates its own rules/guidelines to the appointment of top post

IT News
Imphal, June 18,

Whether the authority in the government are ignorant of the existing rules and guidelines or perhaps they are doing it intentionally, the present government led by Chief Minister N. Biren Singh still violates rules and guidelines when it comes to the appointment of top post in departments or govt. autonomous body.

Imphal Times source revealed that no official procedure is being taken up to sent back the present Chairman of the Council of Higher Secondary Education even though he had crossed 60 years. As per Manipur Higher Secondary Education Act, 1992, Government of Manipur appoints Chairman of the

Council from among the selected experienced teachers whose age does not reached 60.

Date of Birth of L. Mahendra Singh, the present Chairman of the Council of Higher Secondary Education (COHSEM) is 1-1-1958 as per record with the Imphal Times. He was appointed as the Chairman of the COHSEM by an order of the Joint Secretary Education (S), Govt. of Manipur on December 24, 2016 on deputation for a term ending December 31, 2017. Again on December 23, 2017, another order of the Deputy Secretary Education (S) extended his chairmanship for a period of another one year knowing that he already crossed 60 years. As per govt. rules a person whose age cross 60 years cannot remain as the Chairman of the Council. As

per govt. rules posting at the directorate at administrative level should be repatriated to his college or Higher Secondary School if his upper age limit attain 60 years.

This is a single case to show, how the promises made by the government has been make a mockery. This Government had promised to stop re-engaging of retired government officials with exception to some technical post. But so far many are seen still re-engaging. Forget about the re-engagement promises, this government continue to violate rules and regulation or guidelines to the appointment of top post in govt. body, either knowingly or unknowingly for reason best known to them.

MUTA representatives call on Governor over MU impasse

IT News
Imphal, June 18,

Devabrata clarifies on Imphal Times news report; says he was talking at his private capacity and does not represent the High Level Committee

IT News
Imphal, June 18,

In connection to the news report appeared in this newspaper in its yesterday's edition under the headline "Congress Breaks silence over the development at MU", spokesperson and General Secretary of Manipur Pradesh Congress Committee (MPCC) today clarified that the conversation he had with Imphal Times was at his private capacity and in friendly term.

In a clarification note Kh. Devabrata Singh said that, he was not speaking to Imphal Times representatives not as representatives of the Congress Party Committee formed on the development at MU. Devabrata further said that

during the conversation he intended to say that "the charges against the VC must be having prima facie evidences, since the charges are leveled by legitimate bodies of the Manipur University". Secondly, he said that the committee shall be meeting all stakeholders concern with the Manipur University and that the Party may take up the issue to the highest authority to end the impasse at Manipur University.

Imphal Times yesterday reported the conversation thinking that Kh. Devabrata was the Convener of the High Level Committee and meeting with the MUTA with them was based on source with Imphal Times and not from the Congress general secretary.

NSCN-K claims hand in yesterday ambush to AR at Mon district of Nagaland

IT News
Imphal, June 18,

NSCN-K today claims hands on yesterday's ambush to Assam Rifle personnel at Mon district of Nagaland. Two Assam Rifles personnel were killed and four other were seriously injured in yesterday ambush claimed by the NSCN-K.

A statement issued by Col (Rtd) Isak Sumi, Dy. Kilonser, MIP, GPRN said that the attack was carried out as a part of the series of the ongoing "Summer Offensive" to sanitise the land against the

illegal deployment of occupational Indian forces and to rein in their illegal activities, provocative movements there by wrecking havoc, perpetrating terror and disturbances of peace and tranquillity in the Naga country.

"The Naga Army attacked the armed patrol of Indian Security Forces near Aboi town in the afternoon today and slew more than six(6) soldiers on the spot and injured the equal number", the statement added.

The statement said that earlier attack at Shengha Lampong,

two Indian soldiers were killed and two others including the unit Commander in the rank of Major were also injured, however, the attack was precise and discriminate targeting only the Indian Forces exclusively and the local village guards residing nearby were not harmed as intended albeit alleged by some anti-national elements. PRO to Inspector General Assam Rifles, Major Vincent Patton yesterday said that the incident occurred at around 3PM when armed cadres ambushed the six Assam Rifles personnel who were on

patrolling duty. He said that they were ambushed in midway, wherein two of them identified as Havildar Fateh Singh Negi and sepoy Hungnga Konyak were martyred on the spot while four others sustained critical bullet injuries. The PRO said that involvement of suspected Naga underground groups in the ambush is yet to be confirmed while there have no claims made by any group. Sources also said that Assam Rifles jawans also retaliated but casualty if any on the other side is also not ascertained.

Social activists write to PM warning serious consequences to the creation of Naga Territorial Council or alike

IT News
Imphal, June 18,

Three social activists of the state - Heigruijam Nabashyam, Hijam Rajendra Singh and Leichombam Dilip Singh has submitted a memorandum to the prime Minister of India showing serious concern to the possibility of creating a Naga Territorial Council or a similar of the Kind in the state of Manipur while resolving the issue to the NSCN-IM.

In the memorandum the three social activist while appreciating the Government of India initiatives to end the Naga Insurgency strongly oppose any destruction in any form to the state of Manipur. The memorandum stated that Manipur was an ancient South East Asian nation with over 2000 years of written history. It was also the last

territory to be annexed by the British Colonialists in the Indian Sub-Continent following the Anglo-Manipur War in 1891 and therefore Manipur cannot be compared with Arunachal Pradesh or any other states in the region. Geographically speaking it is a state made up of the hills that covers 90% of the state and the remaining 10% is the valley. The beautiful part of the state is that there are 37 different indigenous groups of people who reside in the state. While the valley dwellers namely the Meitei who speaks Meiteilon, also known as Manipuri as their mother tongue were the traditional settlers of the valley. But today all the 37 different indigenous groups of people without any distinction share the same space of the valley.
