Imphal, March 12: Chief Minister N. Biren Singh said that the essence of having a government is to work for the welfare of the people and the present government is committed to deliver good governance and 'quality of life' to the lives of the people. This was stated by him at the inauguration of Primary Health Centre Building, Kairang Muslim and PHSC Building, Laipham Khunou held at Primary Health Sub-Centre, Laipham Khunou, Imphal East.

Speaking as Chief Guest of the function. Chief Minister said that the State has been experiencing some positive change and the government is focusing to uplift the socio-economic status of the needy and poor people living in the State. Mentioning that after the government launched new welfare and health schemes for disabled persons and needy people of the State, Chief Minister said that the number of grievances/ people on Meeyamgi Numit and Hill leaders' Day has been reduced drastically and it is a sign of positive change in the State. The feedbacks gathered from the Meeyamgi Numit and Hill leaders' day have contributed a lot in solving the grievances and problems faced by the people. The

present government is providing soft loans/financial assistance to the unemployed and needy people of the State, he added.

Appreciating the support of the people and officials of the Heath Department, Chief Minister said that the newly born Heath Care Scheme "Chief Minister-gi Hakshelgi Tengbang (CMHT) has got excellence National Award recently. Around a population of 15 lakhs would be covered under the new Health Scheme, he said. At the National Level. under the leadership of Prime Minister Narendra Modi a new

appreciated the efforts and voluntary participation of the people on the eviction process of all encroachment at

river banks. Chief Minister said that the government has already begun the month long celebration to commemorate the first anniversary of the BJP led government in the State. The first 15 days would be celebrated as "Inauguration Fortnight" and the and government would be laying foundation stones for various projects in the last 15 days of the month. On the occasion, Minister for Health and Family Welfare L.

Jayantakumar Singh appealed the people to think such Health Centres as their own property and to maintain it properly. He maintained that as per the norms, doctors aren't supposed to be posted at Primary Heath Sub-Centres however the government would try to depute a doctor at the Sub-Centre. As the
