

# The Nagas under Indian occupation cannot afford to continue to feed the Myanmar NCA group – NSCN-K

**IT News**  
**Imphal, Oct 1.**

A statement by the MIP, NSCN-K stated that the party had established fact that Yonghong led Pangmi sect has willfully seceded from NSCN/GPRN and entered into an NCA pact with Myanmar Union thus forfeiting almost a century old Nagas struggle for sovereign independence. It said that the Nagas from India particularly cannot serve two masters and there cannot exist two parallel NSCN/GPRN in Nagaland. The statement further stated that it would be a wastage of resources and unnecessary harassment to entertain the Myanmar NCA group in any form i.e

politically, morally or materially when they have sought refuge under Myanmar Juntas and are comfortably pursuing lucrative businesses worth millions in the form of road construction contracts, Gold and Jade mining, illicit Opium trade and other extortion rackets. "The Nagas under Indian occupation cannot afford to continue to feed the Myanmar NCA group despite the presence of few misguided leaders from Nagaland in their midst. The hollow claim that the impeachment process was constitutional and consented by all the NSCN/GPRN members clearly exposes their ignorance, stupidity and insanity.

"It is utterly ridiculous to claim legality when only 36 pangmi workers plotted and appended the impeachment order amid thousands of NSCN/GPRN workers who were completely ignored, uninformed and uninvolved in the conspiracy. It is also pertinent to note that Yonghong was trained by UNLF and served in the UNLF initially, he had also been expelled from the NSCN for five years due to drug addiction and was reinstated later. "This is the fourth coup attempt by the Pangmi tribe during the 38 years of NSCN existence beginning from expulsion of Isak-Muivah from Eastern Nagaland in the year 1988 to Kitovi-Khole in 2011, Wangting in 2015 and

the latest attempt by Yonghong led Myanmar NCA group in August 17, 2018. " Nevertheless, His Excellency, Lt.Gen.(rttd) Khango Konyak led NSCN shall never be bogged down by the usurpers but shall continue to lead the NSCN/GPRN and the Nagas by honouring the sacrifices of thousands of precious Nagas lives and shall uphold the historical and political rights of the Nagas under any circumstances. If necessary every minute details of the Myanmar NCA group secret treacherous deal with Myanmar Juntas at Nyapidiaw shall be exposed before the Nagas and the world", the statement of the NSCN-K said.

# MAKU pays tribute to Hijam Irabot

**IT News**  
**Kumbi, Oct 1,**

Volunteers of Matingleiba Kumbichasing (MAKU) have paid a floral tribute to the departed revolutionary social leader, Hijam Irabot before his statue situated at Kumbi Laisandhong leikai on the occasion of the 122th birth anniversary on Sunday afternoon. As part of the birth anniversary

of the pioneering revolutionary leader, MAKU volunteers conducted a cleanliness drive at the surrounding areas of the statue. Meanwhile, MAKU along with volunteers of Humanism Foundation conducted a mass cleaning drive - cum-nurturing the nurseries planted by MAKU and Humanism Foundation along the Kumbi

Wangoo Road on Sunday morning. The nurseries were planted by MAKU and Humanism Foundation two months ago in a mass plantation drive. Around 40 volunteers of MAKU and Humanism Foundation participated at the cleaning- cum- nurturing nurseries plants. The two social bodies appealed the people of Kumbi to maintain the nurseries till their full grown.

## Global Sanitation

**PIB Delhi**

On the second day of the Mahatma Gandhi International Sanitation Convention, 116 foreign delegates including sanitation ministers visited select sites related to the life and work of Mahatma Gandhi on the "Gandhi Trail". The delegation was led by the Minister of State for Drinking Water and Sanitation, Shri Ramesh Jigajinagi. The Mahatma Gandhi International Sanitation Convention is a four-day convention organized by the Ministry of Drinking Water and Sanitation, and includes more than 160 international representatives from 68 countries. It was inaugurated by the Hon'ble President of India, Shri Ram Nath Kovind, yesterday in New Delhi.

The delegation first visited Punsari village, an example of the success of the Swachh Bharat Mission (SBM). For the 5,100 residents, each home has a functional toilet with a water facility. Since it was declared open defecation free, not a single child has dropped out of school. The delegation showed keen interest in the twin pit toilet technology used in India, which is a low-cost, eco-friendly and easy to use toilet technology, suitable for large parts of rural India. The visitors viewed the local health facility and took note that the infant and maternal mortality rates are zero. They also visited the school, anganwadi and interacted with villagers about the toilets they had built in their homes. They also undertook tree plantation, visited a micro compost pit and drainage as part of SLWM work in the village and said that they were inspired to see such high quality service delivery and behaviour change on the ground.

Later, the delegation visited Dandi Kutir at the Mahatma Mandir complex and paid homage to Mahatma Gandhi at the Sabarmati Ashram in Ahmedabad. They also attended a lunch hosted by the Governor of Gujarat, Shri Om Prakash Kohli.
