Construction of Ghats ensure sustainable tourism along Ganga River

Babie Shirin
Lucknow, Sept. 30,

River cruises, floating hotels, moving sounds and light show and even app to provide information on religious ceremonies are all part of tourism ministry's proposal to rejuvenate the Ganga river. The action plan that merge old traditional with new technologies construction of Ghats ensure sustainable tourism along Ganga River. One of the highlight,

being the national river the union government has also taken up initiative to protect it with great sincerity as it serves a great purpose to millions of Indians who live along its course and depend on it for daily needs. To protect the 2525 km long river the union government has an ambitious project called Namami Ganga Programme. It is an approved flagship programme of June 2014 with a budget outlay of Rs 20000 crore to accomplish the twin objectives of

effective abatement of pollution, conservation and rejuvenation. Construction of ghat a surface or pligh of steps which connects the river and the visitors is one of the components of the project. Eight representative of state media from Manipur witnessed the Sarsaiya Ghat in Kanpur is one of the largest Ghat in Kanpur. Under Namami Ganga Programme, 24 ghats have been constructed in Kanpur said senior manager of engineers india limited,

executing agency of the project, Tanvir Jaheer to state media. He said these ghats serves a great purpose to visitors as this connects people and river, in religious purposes and in promoting tourism. He stated that the ghat was built with a total cost of Rs 2.34 crore. 29 more project ghats will be built in Kanpur under this project. Handrails, paintings, changing rooms, gender wise toilets, flood lights are among the important components while construction of ghats. Tanvir also mentioned that under this project Kanpur union Bithoor and Farrukhabad are constructed under Rs. 47 crore. After construction of ghat at Sarsaiya visitor visit at ghat get more comfortable to do religious practice. Tourist gets advantage for proper toilet, washroom and changing room. At night time visitor can walk freely in lamp light.

Why MU Community is against AP Pandey? (Part 2)

'AP Pandey donates Rs. 2 lakhs to ABVP for publication of souvenir'

IT Desk
Imphal, Sept. 30,

It was not the frequent leave that provokes anger to the Manipur University Community against AP Pandey but also misuse of Manipur University fund by violating the rules and regulations of the University and also disparities towards students groups. As per source, Prof. AP Pandey donated a sum of Rs. 2,00,000/- to a politically motivated students' organization called Akhil Bharatia Vidhyarthi Parishad (ABVP) Manipur Unit in February, 2018 in connection with the publication of a souvenir. Donation from the University exchequer to

a specific student body by AP Pandey is perhaps the first time happened in Manipur University. As per record no student's bodies other than the Manipur University Students' Union (MUSU) had ever been provided financial assistance for publication of souvenir.

Akhil Bharatia Vidhyarthi Parishad is a students' wing of the BJP. The MU community term the donation from the Manipur University Fund as "Arbitrary and illegal". Source said that the statement submitted to the 2 member enquiry committee stated that if the payment of donation is in connection with the publication of souvenir, the payment should be made after a copy of the souvenir is submitted. However, in

the case at hand, no copy of the souvenir is available in the record.

There are over 15 major students groups operating in the state including ANSAM, ATUM, KSO, AMSU, MSF, KSA, SUK, AIMS, SSUM etc. Each student body use to publish annual report of souvenir. If ABVP can get a donation of Rs. 2 Lakh from the Manipur University exchequer why not the other student body get the same privileged, a student leader of the MUSU said while talking to this reporter.

If it is the case Manipur University have to spent nearly Rs. 20 Lakh for providing financial assistance to students' body every year.
