

Bilingual Web site and NIELIT Study Centre of Chandel district launched

DIPR Chandel, Sept 8,

Deputy Commissioner, Chandel, Krishna Kumar launched the New Bilingual website of Chandel District, (<https://chandel.nic.in>) and NIELIT Study Centre Chandel in separate function held at DC office complex yesterday. Speaking on the occasion, Deputy Commissioner, Chandel, Shri Krishna Kumar said the website under Secure, Scalable and Sugamya Website as a service (S3WaaS) is secured in compliance to the guidelines of Indian Government Website (GIGW). The main features of the website are publishing the contents in bilingual which is in English and Manipuri language. The website is hosted on the National Cloud of NIC. It is a responsive design which is easily accessible through Smart Phones, Tablets and Desktop PC with easily configured

themes. He further added that DIO, NIC can directly login and avail services for subsequent updates. The website has information of the district and various forms like income certificate, caste certificate, and others. He also said DIOs have to play a major role with latest data for information dissipation, and the respective departments will submit their departmental news and orders for uploading at district website. Concern district officers will provide information in soft copy in English and local Manipuri language by email to mncnd@nic.in

The Deputy Commissioner, Chandel, Krishna Kumar also inaugurated the "NIELIT Study Centre, Chandel" at D Block, DC office complex. The inaugural function was graced by, DC Chandel, Shri Krishna Kumar, Executive Director, NIELIT Imphal, Shri

Th. Prameshwor Singh, State Information Officer, NIC, Manipur, Shri Kh. Rajen Singh and Superintendent of Police, Chandel, Shri Kamei Angam Romanus, IPS as the Chief Guest, President and the Guests of Honour respectively. The NIELIT Study Circle has commenced its first batch of Basic Computer Courses at DC complex, Chandel today. The Certificate course has four batches of 25 students each. Speaking on the occasion Deputy Commissioner, Chandel, Shri Krishna Kumar highlights the importance of giving such courses to enthusiastic youths of Chandel in this digital era. The Chief Guest promised his unflinching support and encouragement in every endeavour undertaken in the district for the upliftment and empowerment of Chandel people, especially its vibrant youth.

Manipur is in the path of development: CM

DIPR Imphal, Sept. 8,

Chief Minister N. Biren Singh said that Manipur is experiencing positive change and progressing in the path of development. This was stated by him at the Certificate distribution ceremony of Bhubon Technical and Skill Development Private Limited, Lamdeng Khunou yesterday. Speaking as Chief Guest of the function, Chief Minister said that the responsibility of being a politician is to make the people's life simpler and happier. Since the inception of the BJP led government in the State, the government has initiated various schemes and programmes such as CMHT, CHST, Go to Hills, Go to Village mission for the welfare of the people, he added.

Chief Minister mentioned that the government has launched 'Manipur Start-up' scheme to encourage the entrepreneurs of the State recently. A sum of Rs. 30 crores has been earmarked for

the said scheme every year. Till now, 334 entrepreneurs have been given soft loans to the tune of 10 crores, he added.

To encourage the educated unemployed youths and entrepreneurs, Chief Minister said that Manipur State Co-Operative Bank (MSCB) Limited has provided loans of Rs. 10 crores to various beneficiaries till now. Under the vision of dynamic leadership of Prime Minister Narendra Modi, the Post Offices in the country would also act as Payment banks to change the banking system in the country soon, he added.

Chief Minister stated that in the last several years, we had a long tradition of being a job seeker not as job creator in the State. The initiatives such as PMKVY mission would encourage and empower the youths by imparting skill based training. He appealed the people not to hesitate to take up any occupation and should give respect to every profession.

Assam Rifles organised National Nutrition Week lecture

IT News Imphal, Sept 8,

National nutrition week was organised by all units under command 9 Sector Assam Rifles under the aegis of HQ IGAR (South) at various Company Operating Bases. Tullihal Battalion as a part of National Nutritional Week, organised a Medical Camp in Konthoujam village. Before commencement of the medical camp a lecture based on the theme 'Go further with Food' was given by the unit Regimental Medical Officer, wherein the parents were educated regarding the need for the right kind of balance diet and nutrition required for their children. The villagers of Konthoujam village and the children from Free Progress Academy were provided with free medicines after the medical check up. A total of 130 children and 70 senior citizens attended the camp. Keithel Manbati Battalion

organised lectures on nutritional diet for the students of Shine Academy, Shantinagar and nearby schools at Andro, Lilong and Canchipur Company Operating Bases. A total of 185 students and 10 teachers attended the lectures. The students were educated about benefits of nutritious and healthy diet. Mantripukhari Battalion organised a lecture on Correct Nutrition and Balance Diet at Hanuman Top Company Operating Base. A total 30 persons of Youth Clubs of Keikochoing and Moraingpen village were present. The attendees were told about the importance of balanced diet, benefits of using natural products and avoidance of processed food. All attendees were extremely grateful to the Assam Rifles for this earnest endeavour to educate the locals about the importance of nutrition.

Hima Das comes home: As the runner landed, Assam laid out a red carpet she could sprint on

Agency Guwahati Sept 8

One of the first things Hima Das's father asked her after she landed at the Guwahati Airport on Friday afternoon was "what are these torn clothes you are wearing?" Later that evening, speaking at a public felicitation ceremony organised by the State government at the city's Srimanta Sankardev Kalakshetra, the 18-year-old athlete, joked saying, "Of course, things have changed quite a bit. I have changed. I have definitely become more stylish. That's why when my father saw me in my ripped jeans, he commented on them. I told him, 'I am just doing a bit of style'." Das recently clinched two silvers and one gold at the Asian Games 2018 in Jakarta. A month ago, she had created history by becoming the first

Indian woman athlete to clinch a gold medal in the IAAF World U-20 Athletics Championships in Finland. Friday was her homecoming, and on her first trip back, Das received a rousing reception. At the Guwahati Airport — hundreds attended, including Assam Chief Minister Sarbananda Sonowal himself, members of the All Assam Students' Union, and of course her family and friends who had travelled earlier that morning from Kandhumirai village in Dhing. "We all felt very emotional to see her. We do not know how long she will stay. The moment I saw her, I gave her a gold ring," said Pushpalata Das, Hima's aunt, at the airport. Inside, a red carpet — fashioned as a running track was laid out. Outside, huge banners that hailed her as *dour' or rani* or sprint queen fluttered as the

beats of traditional Assamese folk instruments played in the background. "We had been preparing for this since yesterday but we did not expect such a big crowd," said a security personnel at the airport. The gathering had at least 150 people. As the crowd jostled to get a glimpse of her, Das walked out, flanked by 'Birangona' — 25 Assam Police special women commandos. For a few seconds, she broke away from them to hug two women she spotted in the crowd — one neighbour and another family friend — who had travelled from Dhing to Guwahati to see her. After spending about thirty minutes with her family, her close friends and various dignitaries at the airport, Das travelled in a vehicle, waving at people through its sun roof, first to the memorial of Assamese singing legend Bhuben Hazarika and later to

the Sarusajai Sports Complex the tracks where she had started training less a little over a year ago, record." Guwahati: Asian Games medal winning athlete Hima Das being welcomed on her arrival in Guwahati, Friday, Sep 7, 2018. (PTI Photo) (PTI9_7_2018_00076B) Das will be spending three days in Guwahati before heading to her home in Kandhumirai village in Dhing for a day, after which she flies to Delhi again. "This month she will be resting before taking up training again," said Nabajit Malakar, her coach in Guwahati. Until then, Das is happy for the break and especially to be back home. "I am speaking in Assamese in public after such a long time. And it feels so good. I travelled to so many countries, but there is nothing like coming home," she said.

Three days after Majherhat collapse, police issues updated advisory

Agency Kolkata Sept 8,

The Kolkata Traffic Police on Friday issued an updated traffic advisory and asked people to make use of the routes to avoid congestion on city roads in wake of Majherhat bridge collapse. "We are extremely sorry for the inconvenience caused due to the bridge collapse. However, we are making sincere efforts to ensure situation improves sooner and travel time improves accordingly," said Additional Commissioner of Police (I) Vineet Goyal. Police said vehicles from Behala are requested to avail Taratala Road-Hide Road-Remount Road, DH Road or CGR Road-Hastings-Strand Road-Kidderpore Road to reach Esplanade, Park Street, etc. "Presently, the condition of Hide road is poor. All allied agencies have already started work to improve the road," said Goyal. Gorgachha Road-Transport Depot Road-Hobkon Road are being repaired to facilitate smooth movement of traffic and improve travel time, they added. "During peak hours, all vehicles coming from Budge Budge are being requested to avail Taratala Road-Nature Park and Garden Reach Flyover and Remount Road Ramp to reach Mompinur. This takes far less time than availing

Taratala Road-NR avenue in Alipore," said a police officer. Vehicles coming from Thakurpukur, Joka are being diverted to James Long Sarani or MG Road for travel to Tollygunj, Rashbehari, Gariahat, Esplanade, Park Street and Dalhousie. One-way circulation is being implemented along Raja Santosh Road-Alipore Park Road where all north-bound vehicles will avail Raja Santosh Road from its crossing with Alipore Park — and then Alipore Park Road-Burdwan Road-DH Road or the new Road-Judge Court Road for their onward journey towards Hazra, National Library and others. Police said NR Avenue will now cater to only East-bound traffic from Mint to New Alipore Triangular Park while Shahpur Road will cater to West-bound vehicles towards Taratala. "Most vehicles are

trying to take NR Avenue-Durgapur Bridge and Tollygunj Circular Road to travel towards Rashbehari-Gariahat-Park Street-Esplanade-Dalhousie. This is adding to the volume of traffic on the narrow stretch..." said Goyal. Police said they found that Taratala Road west of Brace Bridge, Garden Reach flyover, Remount Road are relatively less busy. "Majherhat bridge was an important north-south corridor. Since its collapse, people are forced to travel longer distances. We are trying very hard to reduce the travel time but we would also like to have better cooperation from the public and would strongly advise citizens to follow our traffic advisory..." added Goyal. The Kolkata Traffic Police has also imposed a restriction on plying of goods vehicles by lessening the time slot from 10 pm — 8 am to 10 pm — 6 am

Obituary

My beloved husband, Shri Nongthombam Sanajaoba Singh of Oinam Mamang Leikai Uchekon, Ward No. 6, Tangleipung Maning , Bihnpur district left us all for heavenly abode on Friday the 31st September, 2018.
