

Nagaland 'Logical to be in alliance with central government', says CM Rio

Agency Kohima, April 1,

Chief Minister Neiphiu Rio has expressed confidence that the BJP-led NDA government will retain power under the leadership of Prime Minister Narendra Modi; and urged the people to vote for the PDA consensus candidate and sitting Lok Sabha MP, Tokheho Yepthomi.

A press release from the NDPP stated that the chief minister shared the message while addressing public rallies at Noklak and Thonoknyu on Saturday. Rio said that since Nagaland has just one seat in the Lok Sabha, the lone member represents the entire people of the state. "As such, it is the people who should decide whether they want to elect an MP who can convey the voice of the people in the Lok Sabha in line with the government's ideologies and objectives in coordination with the state government; or whether they want an MP from the opposition who will not coordinate with the state government, and instead sit in the opposition benches in Parliament," it quoted the chief minister as saying.

Rio was confident that the public knows better as to which option is more pragmatic and workable for the people of the state. The chief minister said that Nagaland is a small state dependent on the Centre and it will only be in the fitness of things if the state government and the central government are in an alliance. "The chief minister stated that today, people want peace and development and such an atmosphere would be all the easier if the people elect the PDA candidate so as to be in the NDA in Delhi. It is to this effect that alliance was maintained with the BJP since 2003 till date. The chief minister was optimistic and stated that even opinion polls were showing favourable outcome for the NDA at the Centre," the statement read.

Rio expressed appreciation and gratitude to the BJP national leadership for reposing their faith in his leadership and entering into a pre-poll alliance with the NDPP. He explained that the BJP snapped ties with the NPF as the BJP had lost faith in the leadership of former chief minister TR Zeliang and the NPF party.
