Rahul Gandhi refused to forge alliance with AAP for LS polls: Kejriwal

Agency
Vishakhapatnam, April 1

Delhi Chief Minister Arvind Kejriwal Monday said that Congress President Rahul Gandhi has refused to forge an alliance with the AAP for the Lok Sabha polls in the national capital. Talking to reporters at the airport here, the AAP leader said he had met Gandhi recently and the Congress leader had refused to join hands with the AAP.

Asked about Congress' Delhi unit president Sheila Dikshit's remarks that Kejriwal never approached her for an alliance, the chief minister said, We have met Rahul Gandhi. Dikshit is not that important leader. Kejriwal has been urging the Congress to stitch an alliance in Delhi for the Lok Sabha polls to keep the BJP away from power. Leaders in the Delhi unit of the Congress were divided over the issue of alliance with Dikshit and her three working presidents opposing it, party sources had said. A top source in the party had recently said that chances of alliance were "slim" considering its long term repercussions in Delhi. "The biggest question is

how will Congress face the AAP in Assembly elections due in 2020 after the tie up. Also, the party does not gain much politically as it is being offered only 2-3 seats by Kejriwal," the source had said. Congress had drawn a blank in the 2014 parliamentary elections in Delhi. The talk of alliance was fuelled by the fact that the Congress and AAP had jointly polled more votes than the BJP that had walked away with all the seven seats in the national capital. Delhi has 7 Lok Sabha seats and it will go to polls on May 12.

Axelsen beats Srikanth to win second title; Intanon creates record at Yonex-Sunrise India Open 2019

Polii-Rahayu and Yilyu-Dongping successfully defend titles

From Correspondent
New Delhi, April 1,

Viktor Axelsen dashed Indian hopes with a 21-7, 22-20 win over Kidambi Srikanth at the Yonex-Sunrise India Open 2019, a part of the BWF World Tour Super 500 tournament, here on Sunday. In a rematch of the 2015 final, the Dane saved a couple of game points in the second game to get his second title after his 2017 win. In women's singles, Thailand's Ratchanok Intanon created history by becoming the first women's singles shuttler to win the title three times when she beat the third seed He Bingjiao 21-15, 21-14. With this, she also emulated the legendary Lee Chong Wei's record to become the second singles player to taste glory thrice at India's premier badminton event, with her earlier victories coming in 2013 and 2016. Ratchanok started slow against the seventh ranked Chinese, whom she had never beaten in four previous meetings. With Bingjiao cruising at 9-6, the Thai banked on her experience to turn the

tables on her rival. Using her speed and aggression, she drew level at 14-14 and then started targeting the corners to make life difficult for the Chinese. Bingjiao, who had accounted for PV Sindhu in the semi-finals, looked pretty subdued since then and struggled to keep up with the Thai's pace and accuracy. After taking the first game, the former world champion continued her momentum throughout the second game as unforced errors from Bingjiao's racket piled up. With Bingjiao hitting in haste, a calm and

poised Intanon sailed through the second game to go up to 14-9 before closing out the match in 46 minutes. "I learnt from the past when I lost to her and also from her match against Sindhu yesterday," said Intanon after the win. "People say I play really well here in India Open. Before I came to the main hall, I saw my record against her and it was 0-4 and I thought I need to break this record today. "Today I tried to play calmly and point-by-point and I played well," added the former World No. 1. World No. 4 Viktor

Axelsen, who reached the All England Open final this month, was too strong and too powerful for the home hope in the first game as Srikanth struggled to find his rhythm. The precision and firepower from Axelsen thoroughly overwhelmed the 2015 champion, allowing the Dane to build a huge 10-point advantage at 17-7 before pocketing the first game. Amid vociferous cheers from the crowd, the Indian finally settled in a very tight second game. By attacking from the front court and using his body smashes to perfection, the

World No. 7 made the score equal at 12-12. With the two deadlocked in the second game, the Indian even carved out a couple of game points to go up to 20-18. However, a dropshot from the Indian went wide after that and the second seeded Axelsen made no mistake in saving the other to get his first match point which he duly converted after 36 minutes of play. "I think I gave him too many chances in the first set to attack and tried avoiding that in the second. I did fairly well at the 20th point, maybe if there would have been a decider, I would have had much better chances," said

Srikanth after the match. In women's doubles and mixed doubles, the top seeded pairs of Greysia Polii-Apriyani Rahayu and Wang Yilyu-Huang Dongping successfully defended their titles. While Polii-Rahayu emerged 21-11, 25-23 winners over third seeds Chow Mei Kuan and Lee Meng Yean, Yilyu and Dongping prevailed over fifth seeds Praveen Jordan and Melati Daeva Oktavianti 21-13, 21-11. In men's doubles, Lee Yang and Wang Chi-Lin triumphed over Ricky Karandasuwardi and Angga Pratama 21-14, 21-14 for their first title at this marquee event.
