

Retd. Lt. Gen. L. Nilakanta Singh is the new chairman of MPSC

IT News Imphal, Aug 3.
Retired Lt. Gen. L. Nilakanta Singh has been appointed as the new Chairman of the Manipur Public Service Commission. An order in the name of the Governor of Manipur was issued today by the Department of Personnel and Administrative Reform (Personel Division). Retd. Lt. Gen will hold the office for a term of 6 years until he attains the age of 62 years. His pay and allowances and other conditions of service will be governed by the Manipur Service Commission Regulation, 1972 as amended from time to time.

Is the government supporting commercialization of school - KSA to state Govt.

IT News Imphal Aug 3.
Decrying over the negligence of the government for not taking appropriate actions for those who uses fake patta and used in recognising school, KSA questioned whether the government support such wrong doers. Speaking to media persons in a press meet held today at KSA office Khuyathong General Secretary of Kangleipak Students' Association (KSA) Seram Hemjit asserts that the authority of Chingtham Foundation for Innovative Education, Yairpok uses fake documents of patta and used for the recognition of the

school. Such doings is a complete violation of council's Modified Regulation of Recognition of School, he added. Reminding various voices from the Association he added that their organisation holds press meet on June 5 condemning such hoax which violates the regulations and urged the government to derecognise it. He said that several memorandums were given to the Council as well as the Chief Minister to look into the matter on June 6 and June 17 respectively. Because of the non response from the side of the authority reminders were also given to the CM on June 30 and July

7, he added. Hemjit strongly condemned the act of the authorities where no actions was taken up against the school till now. He further questioned the government whether they support such who uses fake documents and also whether they consider the schools as a place for business. He warned that the authorities of Councils and the government should look after the matter and also to take up appropriate actions against those who wrongdoers within ten days and also not to support them. He appealed the authorities to resign on moral grounds for violating their own regulations.

NSCN-IM not happy with the last peace talk

IT News Imphal, Aug 3.
The National Socialist Council of Nagalim (NSCN-IM) seems not happy with the last peace talk held with government of India. "The last formal talk with the Centre 'did not go down well with the group'", Times of India reported the NSCN-IM stating today. Centre's interlocutor for Naga peace talks, RN Ravitook oath as the governor of Nagaland on

Friday. The report said, citing divisive powers working hard to create confusion, the NSCN (IM) stated, "In the backdrop of the last formal talk held with the Government of India but which has not gone down well with NSCN negotiators led by Th Muivah, a joint council meeting of steering committee, council of kilonsers, tatars, HoDs & Brigadiers and above, was held today at council headquarters, Hebron. The meeting took note of the

prevailing political situation." It added, "...the NSCN is sufficiently aware of the divisive policy of the enemy from within and outside, and therefore will not allow any adversary to confuse and divide the Nagas." It further said that "it shall stand true to the end till the Nagas achieve an honorable solution to the Indo-Naga political conflict" and upholds the Framework Agreement signed between NSCN (IM) and the Centre in 2015.

Private School Association and Guardian Association should take the responsibility of shutting down Standard Robarth- MCPM

IT News Imphal, Aug 3.

The death of Ningthoujam Babysana in Standard Robarth Higher Secondary School, Canchipur, has stirred an argument on whether the school should be banned or not. Regarding this matter, Maoist Communist Party Manipur has taken its final decision, a statement issued by the armed rebel group. Concerning this suspicious death, the organization has been working to bring out the truth since July 22, 2019. Amongst all the armed rebel groups, this organization is the first one to publish a statement, initiate an investigation, and shut down the school for a week. On the completion of one week, the organization has communicated the investigation report with the public and has extended the ban on the school till August 4. Some inconveniences seem to arise regarding the completion of the investigation. Its reasons are, first, possibility of the involvement of some top police officials in corruption. Second, conducting the postmortem in a hurry before the family could fully prepare, leading to suspicious scheme of things. Third, initiating an inquiry after people's movement intensified,

handing over to the CBI, and forming an SIT when no options left and arrest people. All these have created a suspicion if the state was involved in conspiring initially. It has lead us to the idea that something is missing regarding the death. Justifiable evidences are necessary to serve justice, but people are suspicious if those evidences have been erased or there has been conspiracies in an attempt to erase the evidences by the school authority, doctors conducting postmortem, investigating police officers, and negligence of the state government. Suspicious deaths of various students in different places in the past few years and not having the justice served have reached the limits of distrust, resulting in the extreme expression of wrath in this case. In this land owned by the rich and where everything is compromised with money, the institutions of justice have turned into places that people have lost their trust. Despite all this, Maoists

will continue to work on finding the evidences. Maoist Communist Party Manipur wants to request the parents of the students of Standard Robarth Higher Secondary School to admit their children in another school instead of sending them back. Requesting the concerned ZEO and Board of Secondary School Manipur to allow those students to move to a different school for 2019. Most importantly, please do not send the hostel mates of the deceased to the school again. Do not fall for the school authority's attempt to silence the voices with their trap to provide free education to some students till class 12. Students and guardians of the students of Standard Robarth are requested to co-operate in shutting down this school and try to move the students to a different school within a week. Even if the students and the guardians want to continue for the year 2019, please conduct a joint meeting of all the guardians and take a decision. If decided to

continue for 2019, people will not co-operate if anything unfortunate happens later on. However, Maoist Communist Party Manipur will shut down this school forever from 2020. In this matter, no one should complain to make education sector a Free Zone. On the other hand, if All Manipur Recognised Private Schools' Welfare Association and All Manipur Students' Guardians' Association do not comply with Maoists within a week, there is no guarantee that these two organizations will not be banned forever. In the attempt to successfully shut down Standard Robarth Higher Secondary School, both the organisations should take all the responsibilities to cancel its government recognition. This is a punishment for the two organisations trying to act smart. With the death of Babysana, let's teach a lesson that the rich cannot do whatever they want in this land. People of Manipur are requested to stand united with this decision of Maoists.

IT News Imphal, Aug 3.
In response to the protest and demand of the Socialist Students' Union Manipur (SSUM) and the students of Lamlai Higher Secondary School the Education Department of Manipur had issued an order to sent 8 teachers to the school. The teachers were asked to join the school immediately. SSUM and the students of Lamlai Higher Secondary School had staged

protested at Manipur Human rights commission (MHRC) complaining about the lack of teachers at this school earlier. SSUM leading the protest had put in a petition to MHRC on 25th July, to fulfill the Right to Education for the students of this school who havenot been able to study under the proper guidance of teachers for past one and half year due to lack of teachers. SSUM also has been contracting private teachers for this school with payment done by SSUM

With the belief that related authorities will look further into the conditions of schools, especially the state runned schools where students are not able to study with good infrastructure and complete facilities. SSUM lauded MRHC, Education Minister, Director of Education Department and related authorities. Further, SSUM also promised to work and stand for the under privileged and marginalized students of this society.

'Thawan Ethamba' ritual observing water and its resources held

IT News Imphal Aug 3.

K Shyam flags off world tour phase -I of Cyclist Gi Ingobi

DIPR Imphal, Aug 3.

Minister CAF & PD, Revenue, Karam Shyam today flagged off the World Tour Phase-I of cyclist Gi Ingobi Chingtham at Kangla main gate. He will be starting his solo mega foreign ride across a total of 7 countries including Myanmar, Thailand, Malaysia, Cambodia, Laos, Vietnam and Singapore in 7 months, with the first phase journey of 10 kilometres. In this unique, debut and brave endeavor, Gi Ingobi Chingtham wants to spread the message of India's Act East Policy, Women Empowerment, Ema Keithel and Eigi Khongul Lijabto to the global world. In his first ever foreign venture, pedalist

Ingobi will be taking 16 days to tour Manipur and about 30 days to cover the important places of Myanmar, a journey spanning 1272 kilometres. Further, he will be exploring Thailand, Malaysia and Singapore in around 43, 19 and 10 days respectively. His tour to Singapore includes the route from Johar Causeway upto the Water Dragon Statue. The whole cycle journey is targeted to be completed within a span of 7 months. Speaking at the flagging off ceremony, Minister Karam Shyam appreciated Ingobi Chingtham on his bold, courageous and innovative mission that is fuelled with the purpose of creating a unique identity of Manipur

across the globe. Nicknaming him as the brave son of Manipur, the Minister

stated that such adventure needs indomitable courage, talent and sound health to

brave all odds on the way. The Government supports such innovative activity that will put a small state like Manipur with a population of 28 lakhs in the limelight, he added. Minister Karam Shyam also provided monetary assistance to him as a noble intention to support his cause. Gi Ingobi Chingtham said that the idea of women empowerment and helping women folks dawned on him when his mother lay bed ridden due to a leg injury incident in 2015. He is the son of Chingtham Ingocha Singh and the eldest of 3 male siblings. Earlier he had also toured from Imphal to Delhi spreading the theme of "Beti Bachao Beti Padhao" in different places.
