He suggested them to hold meetings regularly and communicate among them so that maximum work is implemented before ADC elections likely to be held in May/June next year. The Chief Minister said that all the resolutions taken in the meetings should be translated into action instead of simply keeping in files.

Stating that Panchayati Raj Institutions of different valley districts had already started

executing water harvesting/conservation works in their respective areas, the Chief Minister urged the ADCs to expedite works in hill districts as well. Stating that the State Government is planning to construct around 100 check dams at different foothills with financial assistance from the Centre for water harvesting, the Chief Minister urged the ADCs and DCs to identify streams where these dams can be constructed.

During the 15th Governing Council meeting of NITI Aayog, N. Biren said, Prime Minister Narendra Modi instructed the Chief Ministers of all the States to mainly focus on rain water harvesting and water conservation works while implementing Central Government sponsored schemes like MGNREGS. Prior to this directive, the State Government had already started taking up water harvesting schemes worth Rs. 2 crore each at seven different places of hill areas in view of people's extreme woes due to

acute water scarcity during lean season in hill districts, the Chief Minister said.

N. Biren also assured to look into matters relating to pay, vacant posts and warrant of precedence of ADC Chairman and Members at the earliest. He also urged them to find a way to expedite works under BADP.

Modi government has betrayed Kashmir and the nation - CPI (M)

IT News
Imphal, Aug 6,

The union government led by BJP announced the scrapping of Article 370 and Article 35A which gives special status to Jammu and Kashmir. Not only this the union government dismantled the state by bifurcating two union territories - Jammu & Kashmir and Ladakh. It is an attack on the Indian Constitution and the people of Jammu and Kashmir. A statement by CPI-M state Unit said in a press statement.

It added that the people of Kashmir had acceded to India in the face of invaders from Pakistan and a solemn commitment had been made to them by the Indian State to provide them with special status and autonomy which was embodied in Article 370. The Modi government has betrayed the people of Jammu and Kashmir by going back on this commitment.

The CPI (M) Manipur also lashed the combined BJP-RSS rulers of the country for treating Jammu and Kashmir as "occupied territory".

"Trampling on the Constitution, they were converting Jammu-Kashmir and Ladakh as two centrally-ruled Union Territories. This is the biggest attack on national unity and the concept of India as a Union of States", it added. The major security build up ahead of the announcement and the keeping of opposition Kashmiri leaders under house arrest shows that the Modi government is imposing its diktats without the consent of the people. This is harmful for the unity and integrity of India.

Assam Cong MP Bhubaneswar Kalita resigns from Rajya Sabha

Guwahati, Aug 6,

Senior Congress leader from Assam Bhubaneswar Kalita on Monday resigned from the Rajya Sabha. His resignation came on the heels of the unruly scenes witnessed in the Upper House over the Kashmir issue. The government also decided to bifurcate the state into two Union territories - Jammu and Kashmir and Ladakh.

Kalita did not cite any reason for resigning from Rajya Sabha. It is being reported that the resignation may be linked to the Kashmir issue. Earlier on Monday, Kalita along with Congress MPs Ghulam Nabi Azad, Anand Sharma and Ambika Soni had moved one Adjournment Motion notice in Rajya Sabha over the Kashmir crisis. Congress MPs Adhir Ranjan Chowdhury, K. Suresh and Manish Tewari also moved an Adjournment Motion in Lok Sabha. Both houses of the Parliament witnessed a ruckus over the

recent political crisis in Jammu and Kashmir.

Bhubaneswar Kalita contested the last Lok Sabha elections from Mangaldai constituency but lost to Bharatiya Janata Party's Dilip Saikia.

Born on April 1 in the year 1951 at Rangiya in Kamrup (Rural) district of Assam, Kalita became a member of the Rajya Sabha in 2008 and was re-elected in 2014. On July 30, Assam's controversial Congress MP Sanjay Singh had resigned from the Rajya Sabha as well as the party. Singh, a descendant of the royal family of Amethi, had joined the BJP within 24 hours of resigning from the Congress. Singh had said that he left Congress because "leadership is zero in the party".

It may be recalled that despite strong opposition by members of the Assam Pradesh Congress, Singh was elected as a Rajya Sabha member from Assam in 2015. But, Bhubaneswar Kalita's resignation at the crucial

junction raised many eyebrows in the Rajya Sabha. Though Kalita resigned from the Rajya Sabha, he has not resigned from the Congress.

Senior leaders of Assam Pradesh Congress Committee in Guwahati had no prior information that Kalita was going to resign. Two other Samajbadi Party MPs - Sanjay Seth and Surendra Nagar have also resigned along with Kalita. Rajya Sabha chairperson M. Venkaiah Naidu accepted resignation of the three MPs on Monday afternoon. Sources in the political circle in Guwahati told *Northeast Now* that Bhubaneswar Kalita would soon be joining the BJP. Sixty-eight year old Kalita has been a member of the Congress for almost four decades. The veteran Congress leader has been aspiring to be the president of the Assam Pradesh Congress Committee. Sources said he was not happy with the Congress high-command for not appointing him as the party chief in Assam.
