

No let up in protest against CAB

IT News
Imphal, Feb 7.

With the beginning of the 'On Road Mass Agitation' from yesterday initiated by Manipur People against Citizenship Amendment bill 2016 (MANPAC) to protest for the withdrawal of Contentious CAB, today also protestors blocked one side of the NH2 highways inbetween Sngjamei to Canchipur at various places. Similar protests were also staged at Uripok kangchup road and also at Khuman Lampak ISBT road. Mayai lambi too was disrupted as protestors sit in the middle of the road and also at Takyel Kolom leikai. The police were in a state of dilemma in controlling the protestors. Protestors confront with the police who were blocking the national Highway No.2 (Indo-Burma road) just behind Kakwa police Station. To disperse the protestors protesting in the Highway police throw tear gas shells. One woman identified as Mayengbam Kripa (40 years) wife of Sharat from Kakwa Laiphakpam Leikai fainted and was rushed to a nearest hospital.

While vesting the protest at Kakwa Ex. MLA O. Joy spoke to media person that he condemned the atrocities of the Manipur Police department in handling the democratic protestors by throwing tear gas shells. He also condemned the state government for their irresponsible nature. Even though the police tried to control the situation to unblock the highway, still protestors at

various places continued to block the road. The protest were done at Singjamei Keithel, Kakwa Keithel, Kakwa Naorem Leikai and Kakwa Narshingh for the area of National Highway No.2. Speaking to media persons Ninghtouja Lancha said that MANPAC will intensify the protest until the bill is withdrawn and will even dishonour National symbols.

Imphal Angels Hosts first ever Biggest North East Startup Summit 2019

ITNews
Imphal, Feb 7,

Imphal Angels on Wednesday hosted the first ever North East startup summit 2019, the biggest startup event in the North east at Hotel Imphal where various prominent entrepreneurs, investors and other ecosystem partners gathered. JCRE Skill Solutions was the title sponsor of the event. Prominent entrepreneurs like Fahad Moti Khan, CEO Technology 9 Labs, Vipul Saini, Head partnership, NASSCOM 10,000 startups, Yasuhiro Seo, partner at Spiral ventures, a Japanese VC farm, Manoj Kumar Basumatary, CEO and Co-Founder Symbiotic Foods, Nickson Sharma, Venture capitalist, North East Venture Fund and Lian Thangvung, Founder and CEO, Thangvung Privilege Services Pvt Lt spoke as resource persons. Manoj Kumar Basumatary, CEO and Co-Founder Symbiotic Foods, a farmer from Assam, whose commercial pig breeding got VC funding narrated as how became a successful entrepreneur amidst various hurdles and hardships. Stating that Pig breeding business is a lucrative business which can change

one's life with the demand of pork being high in the north east, he said north east is a best Narrating about his visit to a piggery farm in Karnataka, he said he found 22 people from North east working in a piggery farm for a small salary. "At a time when the North east is a best market for pork, Why the north east people should go a long way for earning rather than initiating the same business here", he questioned. Pointing out that Banks were reluctant to provide him even 10 lakhs worth loan at the initial stage of his business, he said Banks have approached him to take loan worth crores after witnessing his successful business venture. He said he left Bank job to start his piggery farm. Agriculture is a sector where a lone farmer cannot create a business ecosystem without collaborative effort, he added. Fisher Laishram, Governing member, Imphal Angels, while delivering introductory speech regarding the Startup summit 2019, said that the first NE start up event was organized by the Imphal Angels to bring the various ecosystem players like

aspiring entrepreneurs, startups, mentors, investors, VC funds, and local industry on one common platform to promote entrepreneurship and to build a robust startup and innovative ecosystem in North-East India. It aims to create a vibrant and diverse startup ecosystem in North-East India, he said. Stating that startup entrepreneurs are facing various challenges and hurdles in terms of funding, technical know-how and inputs, Imphal Angels was initiated by 9 likeminded entrepreneurs to help resolve the issues confronting the early-stage business. By becoming a member of Imphal Angels one will have a unique opportunity to become an early stage investor of some of the most innovative ventures from the region, which are largely untapped, and not only gain financially but also have an impact in the economic development of the region, he said. Apart from the capital investment, the company will help the entrepreneurs with timely mentoring and access to their large network of industry experts and VC

funds, he said. Five things being carried out by Imphal Angels include Incubator and Accelerator, Startup mentoring, Startup services and partnership opportunities, he added. A startup pitch completion for the 10 selected startups was also held. Nearr from Assam, Hill Wild from Manipur, North East App from Nagaland, IWARI from Manipur, Medilane from Manipur, ELGAE TECH from Manipur, Tenderbud Tea from Assam, KAKSOI from Manipur, NIBIAA consultancy from Manipur and Hillsland Education from Manipur pitched for their business. Top 3 winners of Startup Pitching Competition were selected. The winner goes to Hillsland Education. While 2nd and 3rd positions went to Medilane Healthcare and Hill Wild, respectively. An Angel funding worth Rs 1 lac was provided as cash prize to the best startup company. Title Sponsor - JCRE Skill Solutions Hospitality Partner - Classic Group of Hotels Food & Beverage Partners - Machal (Kangleipak Spices Industry) LIKLA (Thangiam Agro Industries Pvt. Ltd.)

Precious Life Saved by A R

IT News
Imphal, Feb 7,

On 06th February 2019 at around 1400 hours a mother brought her child to Unit hospital of Tengnoupal Battalion with critical burn injuries. The mother of child intimated that the child was playing around the transformer when it caught fire because of short circuit. The child being in proximity of transformer got burnt by the fire.

Senior Medical officer of Tengnoupal Battalion with his elaborate experience and professional skills administered prompt first aid to the child and treated her with medicines to provide her immediate relief from pain. The child named Boinu Mate daughter of Khaileen Mate was in agony because of severe injuries which were upto 40 percent deep burns on her back, chest and arms. The senior medical officer applied medicines on the body of the child to reduce the burning sensation and also administered injections to

prevent infection from spreading and subsequently referred her to burn ward of RIMS/JNNS. The timely and swift actions taken by the Tengnoupal Battalion helped in saving precious life of a child. The senior medical officer with his expertise in medical field administered effective treatment which provided relief to the girl child and enabled her to be evacuated to Hospital of Imphal. The village authority of Chelep expressed their gratitude to Assam Rifles for saving the life of girl. The Tengnoupal Battalion is resolute to help locals in every possible means.

35 Youths Left Imphal For North East Youth Exchange Programme

IT News
Imphal, Feb 7

Under the Scheme of the North East Youth Exchange Programme of the Ministry of Youth Affairs & Sports and Ministry of Home Affairs, Govt. of India 35 youths selected from Thoubal, Kakching and Chandul Districts left Imphal for Nagpur on the 6th February, 2019. The objective of the Scheme is to expose the youths to the technologically and industrially advanced states so that the youths will see various developmental activities including skill development, educational and employment opportunities.

There will be exchange of the rich traditional and cultural heritage with a view to preserve and promote for future generation. This is an attempt to develop emotional linkage with their peers in different states of the country and enhance self esteem towards national unity and development. The Youth Exchange Programme is being organised by NYK

Nagpur from 10 to 16th February, 2019. NYKS State Director Jacky Ruivah, District Youth Coordinator Yumnam Laksman Singh and UNVDYC Chandul flagged off the Manipur Team at the Youth Hostel, Khuman Lampak. The State Director wished the participating youths of Manipur to perform well in the National Level Programme.

Satjal Academy Wangbal Branch Observes 22nd Rising Day

IT News
Thoubal, Feb 7

Meitei Huyen Langlon Sintam Shanglein (Satjal Academy), Wangbal Branch Observed its 22nd rising day Celebration on Wednesday at Wangbal Mayai Leikai in Thoubal District sponsored by the Universal Friendship Organisation. The Celebration begins Chief guest with Satjal members giving general salute to the "Pakhangba" flag, symbol of Satjal along with the theme song of Satjal. The formal function was attended by the Former Director of Centre for Mayanmer and South East Asian Studies and Former Dean School of Human and Environmental Science

of Manipur University Professor Wangkhem Nabakumar Singh, Former Member of Manipur Human Right Commission R.K. Rajendra Singh, Renown Actor & Social Worker R.K. Sonodro (Kaiku), President of All Manipur Apunba Nupi Samaj Thokchom Ramani, Pradhanat Wangbal Gram Panchayat Heisnam Manichandra Singh and Legal Aid Counsel of Imphal West Advocate Khurajiam Kanta as chief guest, president and guests of honour respectively. Around 500 members from different branches of the organisation and locals also attended the function. At least 100 members wearing black uniform gave salute during the flag hoisting of the

organisation. Speaking at the function, Commander of Special Duty UFO, Naokhomba said that altogether 227 Satjal Academy had been opened and raised 38 Battalion so far in Kangleipak adding that Satjal Academy believes in peaceful co-existence and respect other culture and religion. He further said that Kangleipak used to be an independent nation having her own scripts, religion, culture, rule of law, and self-sufficient kingdom for a long period of time and added that the episode of Puya Meidhaba some 200 years back was the most unfortunate incident happened in the history of Kangleipak. Stating that Kangleipak is home to more than 36 different

communities, each community having their own culture, tradition and religion, the commander maintained that the UFO Society (Satjal Academy) was established to bring some order in the society

which has been marred by chaos, indiscipline and directionless that has emerged in the last 300 years. The organisation was formed on four main objectives: to inculcate

discipline among the elder and the younger generations, to bring back the lost culture, to spread awareness on the values of justice and to save the Meetei religion, he said.
