Crisis over leadership in BJP led govt. looms

ITNews
Imphal, June 6.

Political theatre in the N Biren Singh led Government is landing in serious crisis after the reality of the crisis among the BJPians over the race for leadership comes up at public square.

The announcement by the Chief Minister for reshuffling of the Ministry within this month and simultaneous reaction to some of his cabinet Ministers, at which he stated that "they will get the result for what they did and I will get the fruit for what I did" sparks anger to some BJP high profile leaders.

Source said that N. Biren Singh is trying to reach out the Central leadership over the new development. The Chief Minister also called on the Governor, Dr. Najma Heptulla at around 7.30 pm yesterday. The purpose of

the meeting is stated to be a courtesy call in connection with the Id-Ul -Fitre, but source said that the Chief Minister might have been consulting with the governor for the reshuffle of his Ministry.

Post Lok Sabha Election saw major shifts in the state political theatre and the rumours about reshuffling and dropping of Ministers from coalition NPP partners emerges. But source added that not all the four of the NPP will be dropped out. Crisis between BJP leaderships too comes up in the public square.

Whether there will be dissidents against the Chief Minister N. Biren Singh or not is a matter need to be watched, but for sure there will be protest from the Ministerial colleague over the allotment of portfolio if the Ministry reshuffled.

Manipur creates record on World Environment Day: Over 50,000 saplings planted in 950 schools and 80 colleges in 1 hour

ITNews
Imphal, June 6.

It was a record breaking initiative and the Education Minister Th. Radheshyam has done it. Over 50,000 saplings were planted in just one hour time at 950 schools and 80 colleges to mark the World Environment Day celebration on Wednesday.

The initiative taken up by the Education department with the Forest Department and All Manipur Working Journalist Union (AMWJU) not only aims in planting of trees but also monitoring the survival of these trees that are planted.

Speaking at the inauguration of the campaign of Mass Tree Plantation programme at S.K. Ideal High School, Konthoujam, Education Minister Radheshyam stated that on the World Environment Day planting a tree sapling is very easy but making it survive, grow and attain its maturity is a big challenge. He said that the Education

Department in collaboration with the Forest Department and All Manipur Working Journalist Union (AMWJU) is all set to take up the big challenge of planting more than 50,000 saplings, and monitoring for the survival and growth of these trees.

Th. Radheshyam explained that every sapling being planted today has a name tag of the student, teacher and staff which indicates that these individuals are in charge of the trees planted. The teachers and students are the owners of the tree saplings

and it is their responsibility to nurture the plants to make it survive and grow until it attains its maturity. He highlighted that the target to plant more than 50,000 saplings was carried out in and around the educational institutions throughout the State.

With the students as the taskforce to care for the saplings planted, Th. Radheshyam said that it is the need of hour that the students become a part of the positive change that is needed for the environment. He said that afforestation and preservation of the forest are two important things to be followed in order to safeguard the environment and planting more trees is the best way to be followed. He also expressed his delight for the guardians and elders of the students also took part in the campaign. He opined that involvement of people from all walks of life is a must for the society to advance.

(Contd. on Page 4)

The fund for Pension to Employees of Autonomous District Councils has been included in the State Budget under Demand No. 14 of the Tribal Affairs and Hills Department, Government of Manipur since 2007-08 financial year of which Rs 193.81 lakhs was earmarked. The fund for pension of ADC employees is also reflected in the Budget, 2018-19 with Rs 247.81 lakhs. Thus, the funds for Pension in respect of Employees of Autonomous District Councils have been reflected in the State Budget from the financial year 2007-08 till 2018-19. However, the previous State government failed to implement it and kept in abeyance. However, the State Government question their own laws and Rules. It is the government who made those Acts and Rules, and at the same time they were questioning their own laws which is amounted to mockery. The ATRPFM statement said that the creation of the pension cell is an achievement for the BJP-led State Government.
