New Delhi May 15,

Mamata Banerjee's Trinamool Congress on Tuesday sought a meeting with the Election Commission a day after its party workers fought pitched battles on the streets of Kolkata with BJP supporters during a massive road show of party chief Amit Shah, who escaped unhurt but was forced to cut short the jamboree and had to be escorted to safety by the police.

Parts of the city plunged into a welter of violence as his convoy was attacked with stones by alleged TMC supporters from inside the hostel of Vidyasagar College, triggering a clash between supporters of the two parties, officials said.

"The way people had gathered for the BJP roadshow in Kolkata, almost every person in the city was present. There was no place to even stand along the eight-kilometre stretch. Frustrated goons of Mamata didi's TMC attacked the roadshow. There was a medical college 200

meters away from my rath, the attack began from there. Inflammatory substances were thrown and there were attempts to create a stampede," Amit Shah told news agency ANI. "I want to thank the BJP workers that despite all this the roadshow continued for 1.5 hours and ended at the scheduled place and time. I condemn the violence Mamata's party is doing here. I appeal to the people of West Bengal to give

answer to violence with peace," he said. The Trinamool Congress alleged that BJP president Amit Shah brought "outsiders" for his road show in Kolkata who were responsible for the violence in the city on Tuesday. TMC spokesperson Derek O'Brien wrote on Twitter, "Desperate BJP goons from outside Bengal smash statue of Ishwar Chandra Vidyasagar inside the college... How little you know

about Bengal, its rich history, its culture. Bengal will never forgive for what you did today. (sic)." Trinamool Congress' Rajya Sabha MP Sukhendu Sekhar Ray tweeted, "Hired goons of BJP vandalised Calcutta University and Vidyasagar College, bikes set ablaze, bust of Vidyasagar demolished today during roadshow of BJP President in Kolkata today. What a tribute to Vidyasagar on the eve of his bicentenary (sic)."

# 17 developing countries call for strengthening WTO

Agency  
New Delhi May 15,

Seventeen developing countries have stressed on working collectively to strengthen the World Trade Organisation-WTO to promote development and inclusivity for the benefits of all members. A 13 point declaration was signed by these nations at the end of the two-day Ministerial meeting of developing countries in New Delhi yesterday. The countries include Egypt, Barbados, Jamaica, Malaysia,

India, Indonesia and South Africa. A total of 22 countries attended the meeting. According to the document, the process of WTO reform must keep development at its core, promote inclusive growth and fully take into account the interests and concerns of developing members. The member nations who signed the document also pitched for filling vacancies in WTO's appellate body saying that the current impasse could completely paralyse the dispute settlement mechanism.

It is a total break down of law and order in West Bengal, a 'goondaraj' is prevailing in the state under the Mamata Banerjee government, he alleged. Goyal claimed that stones were hurled, petrol bombs were thrown and criminals attacked people and BJP workers during the roadshow. "Very sadly, we have to say the Election Commission remains a mute spectator to the violence in West Bengal by the state government, it did not act and could not arrest even a single person," he said. Goyal said the EC should appoint a special observer and central forces must be deputed.
