Imphal, Jan 31

Marriage ceremony of a bureaucrat officer scheduled today has been postponed after Family Court Thoubal intervene following a complaint made by a girl who claimed to have been eloped and already used her more than a wife on promise that the bureaucrat officer will marry her.

Dr. Mayengbam Veto Singh, (32) an MCS officer, who hails from Mayeng Lamjao Makha Leikai in Kachhing district presently is serving as Examination Controller of the Manipur Public Service Commission (MPSC). His marriage ceremony has been scheduled today with one 30 years old girl Dr. Priyadarshini Phuralatpam from Sagolband Meino Leirak. Today morning an advertisement column appeared at Manupuri Vernacular daily "Huiyen Lanpao" stating that the

marriage has been postponed due to unavoidable circumstance surprises everyone and were anxious to know the reason for the postponement of the Marriage. Later on enquiry, it has been found that the marriage ceremony has been postponed after one Anju Devi, of Kakching Moirangthem Leikai, who claimed to have physical intimacy with Dr. Veto after promising her for marriage and who also claimed that she was eloped with him filed petition for holding the marriage by granting ex parte temporary injunction under 151 CPC. As per the submission of the plaintiffs, Ksh. Anju Devi Dr. Veto and her came to know each other in 2014 at New delhi

and started having affairs the following year. She filed the court that she was eloped by Dr. Veto on November 18, 2019. Family member of both met the next morning and scheduled to fix a date for marriage by meeting on November 27. it was after this that Dr. Veto allegedly elop another girl and set for marrying her. In Meitei society, elop of girl is the first step for marriage between girl and boy. This is followed by meeting of elders both the family members and then later fix a date for marriage ceremony. **What is interesting here is that the groom happen to be a presently bureaucrat officer serving as Examination Controller of the Manipur Public Service Commission (MPSC).**

Chandel, Jan.31

In connection with proclamation of land available for the purpose of establishment of medical college in Chandel district, chief of Lambung village authority, DY Alam Anal has alleged the DC Chandel Krishna Kumar for detailing incorrect schedule of land from different location which was in contrast to the land the villagers decided to offer for construction of the medical college in a meeting.

Briefing media at Chandel, the Lambung chief a suitable site measuring about 40 acres at Kelthalon Lambung, located

within 1 km radius from present district hospital was offered to district administration for establishment of the same. After village meeting and inspected by BD Behring Ex-MP along with CSOs leaders, proclamation of availability and viability of land and No Objection letter was submitted to the DC. However, instead of accepting the land donated by Lambung villagers, the district administration has proclaimed for availability of land from different location within Lambung village with wrong scheduled. He said that the land he presented to the government was without our concern and without having

done proper survey. The DC's scheduled of land is indicated with no location site and no name of the donor. The proposed medical college can cater at maximum to the needs of aspiring medical students and health care needing people from remote and far flung villages across the district if it comes up at Kelthalon the chief added. While welcoming the 'excellence' decision of the government to construct medical college in the district, The chief said it cannot offered another site or location within Lambung village other than the one it offered at Kelthalon.

Sovereignty is our inherent birthright and it is non-negotiable- President NSCN

IT News
Imphal, Jan 31

President of the NSCN /GPRN Yung Aung greets the people of WESEA region while thanking the almighty in making the freedom struggle sustained on occasion of the party's 40th Foundation Day. The President of the NSCN also pay salute to the thousands of brave Nagas and innocent men, Women and children who lay down their precious lives in defending the land and extended his greeting to all revolutionary greetings to all the fraternal revolutionary parties and people of WESEA region. In his message the President of the NSCN said that on 31st January, 1980 the political history was rescued by God from perishing through some anointed leaders who timely restored our Nation by forming National Socialist Council of Nagaland / Government of the People's Republic of Nagaland with 'Full sovereignty' as its firm principle. He recounted on how the region was forcibly dominated and colonized by India and Myanmar after their Independence. And how both the countries committed inhuman atrocities and war crimes against the innocent Nagas over the decades of

their occupation, the NSCN leader said. The NSCN leader also recalled years and years of divisive policies perpetrated by both the countries to divide the Nana based on the imposed boundary line and disintegrate the NSCN/GPRN leading to fratricide between brothers. "The Naga freedom struggle has come a long way, making it one of the longest armed struggles in the world. Our people have paid heavy price by their sweat, tears and blood in their quest to regain their freedom. Yesterday today and tomorrow: Sovereignty is our inherent birthright and it is non-negotiable", he said. Today both India and Myanmar has become closer policy-wise, adopting similar strategy and tactics to assimilate and subjugate Nagas politically, economically and culturally. Their 'Act East Policy' and 'Look west policy are two sides of the same coin to benefit both the countries while subduing our country and the whole WESEA region, he continued and added that these two countries still harbor the old colonial mentality that 'Might is right' and continues to unleash their reign of terror to suppress our genuine struggle. India is taking a major role in masterminding joint political a.

military operations with the Tatmadaw, providing all possible logistic and material supports. She is utilizing Myanmar as a stepping stone to expand and implement her ambition. Myanmar has gained billions of rupees in aids in achieving India's tainted policies. "Some Nagas, in their confusion, are cynical and doubtful of NSCN/GPRN and our struggle. They speak of uncertainty, impossibility, and impracticability of the Naga sovereignty. They inject fear and doubt in the minds of fellow Nagas because they fear the future. However, the hope and prayer of millions of Nagas is stronger than this more cynicism", the statement by Aung Yung said. Today, in spite of all our difficulties, we cannot flee the future; instead we must face it together. It is our joint national endeavor. A strong Naga nation can be formed when we unite and take responsibility in shaping the future of our nation., he added. He further said, "On my part, I am willing to resolve our past differences and reconcile under his holy banner 'Nagaland for Christ' and based on the fundamental principle of the Naga sovereignty". He appealed the Naga to support the 'National liberation movement'.

Jamia shooting premeditated, police negligence shocking: Popular Front

IT News
New Delhi, Jan 31

Popular Front of India (PFI) General Secretary M Mohammed Ali Jinnah expressed anguish and shock over firing on the peaceful students' protest against the new Citizenship Law at Jamia Millia in Delhi. The incident happened in broad daylight in the national capital exposed criminal negligence of Delhi Police. Not only did the police remained mute spectators the whole time, they did not even remove the barricade for the injured student, who had to climb over the barricade to head for treatment. Meanwhile, reportedly, there are attempts to downplay the seriousness of the incident.

This attack is a culmination of a long created atmosphere of intolerance, hate and violence against minorities and any form of opposition. Those who want to present Rambhakh Gopal, the shooter, as a mentally disturbed lone-wolf, are partners in crime and have a lot to cover up. Gopal's social media activities reveal his close association with Hindutva groups as well as his criminal intent of violence against Shaheen Bagh protest. Also the incident took place days after top BJP leader and Central minister Anurag Thakur's inciting sloganeering openly asking to shoot protesters (*Desh ki Gadharon ko, gol maro salon ko*). This incident happened on 30 January, the martyrdom day

Gandhiji shows, those who worship the ideology and methods of Godse are ever more powerful. Mohammed Ali Jinnah has demanded a judicial enquiry by a sitting judge to unearth the conspiracies behind the incident. The Union Minister who exhorted to shoot at protesters has no right remain in office and hence to be expelled from office and arrested. He also demanded to dismiss the police officers who remained mute spectators and allowed free hand to the shooter. While appealing the Jamia and Shaheen Bagh protesters to maintain peace amidst even utmost provocations, he warned communal fascist forces against disturbing peaceful agitations and targeting the agitators.
